

The Amazing Son In Law (Charlie Wade)

Chapter 2927-2928

Isaac Cameron was very puzzled and asked, "You said, why didn't Miss Zara take this opportunity to give Lord Banks a big shot? Her live broadcast today was watched by tens of millions of people on multiple platforms. Give Lord Banks the best chance to make a full blow. After today, there will be no such shop in this village."

Charlie smiled slightly: "Don't be too surprised, she must have her consideration."

...

At this time, Zara had finished the live broadcast, sitting motionless in the study alone, thinking about the next plan in his mind.

Deana knocked on the door and said, "Zara, come out for dinner."

Zara recovered and hurriedly said, "Okay mom, I'm here."

With that, she took out a large stack of legal documents from the drawer of the desk and stepped out.

In her family, except for her brother Fitz who had received information from Lord Banks in advance, no one else knew what deal Zara had reached with Lord Banks.

Right now, her family members are all surprised, wondering why she would let Lord Banks off in the live broadcast just now.

Even her mother Deana didn't understand.

Zara saw the family on the table, and he looked a little strange, so he put the pile of legal documents on the table and said seriously: “Mom, brother, grandpa, eldest uncle, second uncle, there is something, I didn’t tell you before.”

Everyone is looking at her at this moment, waiting for her to follow.

Zara pointed to the legal documents and said: “Today, during the day, I reached an agreement with my grandfather. I will not attack him at this press conference. I will also give up the right to take all this to law. In exchange, he transferred all the shares of the Banks Family’s Ocean Shipping Group to me. The relevant procedures have been completed, and the industrial and commercial changes have also been completed.”

Everyone present was dumbfounded when they heard this.

Except for Fitz who knew everything in advance, everyone else was incredulous!

No one thought that Zara would be able to bring the entire ocean shipping group from Lord Banks at such a small price!

If this is Lord Banks’s compensation to her, then this compensation is indeed a bit too big.

Deana was the first to recover. She thought of Charlie’s request to her daughter.

Let her become the head of the Banks Family within three years.

Could this be the first step for her daughter to achieve her goal?

I have to say that her first step is indeed a bit amazing!

After listening to this, grandfather Lord Thorne couldn't help asking: "Zara, what are you going to do?"

Zara knew that her true purpose could not be known to anyone except her mother, especially her brother Fitz.

So she said seriously: "I just want to fight for a little protection for myself."

After that, she looked at Fitz and said: "Thanks to my brother for reminding me, there is no private property. If I turn my face with the Banks Family, then I really have nothing. I can't wait until I get married. You don't have a dowry that you can get, right? This ocean transportation group is regarded as the compensation given to me by the Banks Family and the dowry prepared for me in the future."

Fitz felt so uncomfortable when he heard this.

"I did say something similar to you, but that is to persuade you not to fight against the Banks Family and not against Grandpa..."

"But I didn't let you take a knife and run to Grandpa to cut a big piece of meat!"
