

The Amazing Son In Law (Charlie Wade)

Chapter 2937-2938

After Charlie sent the Hank family father and daughter home, he let the commercial vehicle go to Shangri-La.

Xion has been waiting here for his mother, Kairi, and was impatient after waiting all night.

When the car arrived at the entrance of the hotel, Charlie said to Isaac Cameron: "Isaac , you can send Ms. up, I won't go up."

Kairi asked hurriedly, "Master Wade won't go up and sit down?"

Charlie smiled and said, "Stop sitting, it's late, I will go home directly."

Kairi nodded, and said: "Well, the hard work Master Wade also made a special trip to see me. If you have any follow-up matters, Master Wade will call me directly!"

Charlie said: "Okay, if you have something to do, please call me. We have said that 100 million yuan of funds per year. Ms. Kairi will give me an account. I will send the money. As for the rest of the medicine, I will have a few days later. It will be given to you."

Kairi hurriedly said: "No hurry, no hurry, Master Wade, it is good that it is a year's remuneration, but we have just come here, you don't need to fulfill all the promises for the year so soon."

"It's okay." Charlie smiled slightly and said: "Ms. Kairi hurry up, I guess Xion is waiting for you in a hurry."

Kairi nodded slightly and said: “Master Wade, then I will go up first.”

At this time, Isaac Cameron also helped Kairi open the electric door in the back row. Kairi stepped out of the car and entered the hotel with Isaac Cameron.

Charlie was about to order the driver to drive to Tomson Yipin. Suddenly, through the car window, he saw an old and a young walking out of the hotel. He was surprised to find that these grandparents and grandchildren were the two people he had met before at Aurous Hill University of Finance and Economics. .

At that time, Charlie guessed that the two of them should be Feng Shui masters, and most likely they came for themselves, but the two seemed to have no malice, so Charlie didn't start with them in advance.

But unexpectedly, the two of them lived in Shangri-La.

Charlie told the driver to drive while calling Isaac Cameron. He said, “Isaac, two men came out of your hotel just now, one old and one young. The old one is estimated to be nearly a hundred years old, and the young one is watching. In my twenties, you can help me see if they live in Shangri-La. If so, check their check-in information, and then give me feedback.”

Isaac Cameron immediately said, “Good master, I will make arrangements.”

When Charlie got off the bus in front of the gate of Tomson Yipin, Isaac Cameron sent him a voice message on WeChat.

“Master, I just checked. The old and the young do indeed live in Shangri-La. The older one is named Mai and the young one is Mike. Both of them checked in with American passports.”

“From the United States?” Charlie frowned and replied: “It just so happened that the elms family came, tell him, and send two dexterously staring at them, and report to me as soon as possible. ”

“Good young master.”

Charlie didn't know the origin of Mai from the United States, but he felt that this person seemed to belong to the feng shui mystery school, so he thought of the Feng Shui master he knew on Yeling Mountain, Orion Exeor (Divination Master for the Wade Family).

However, when the two met at first, although it was as good as they were before, it was also a gentle friendship, and no one left the other's contact information.

So Charlie called his grandfather.

At the beginning, Orion Exeor (Divination Master for the Wade Family) was invited by him to re-select the ancestral grave for the wade family. If you want to come, he must rely on Charlie's contact information.

At this moment, when Lord wade received Charlie's call, he couldn't help but feel a little surprised. He smiled and said, “Charlie, why do you think of calling me this old bone?”

Charlie didn't hide it, and said directly: “I heard that you know an American Feng Shui master. I have something to ask. I wonder if you can give me his phone number?”

Lord Wade said in surprise: “Oh? Where did you hear about it?”

Charlie smiled: “Rumors outside.”

Lord Wade smiled and said, “Yes, Mr. Exeor , an old overseas Chinese in the United States, but Mr. Exeor is getting older. When he left Estcliff earlier, he told me that he would close

the mountain. If you want to invite him out of the mountain, I'm afraid you won't be pleased. he."

Charlie said calmly: "I just want to ask a few questions on the phone."

Lord Wade hummed and said, "I will send you Mr. Exeor's mobile phone number in a while, and you will call him. If he ignores you, you will say that you are my grandson, and he will give it to you more or less. It's kind of thin."

"Okay." Charlie didn't say much, and said: "Then please send me a text message."

Soon, he received a text message with a string of US phone numbers.
