

# The Amazing Son In Law ( Charlie Wade)

## Chapter 2939-2940

Charlie dialed this number directly, and waited a few seconds before prompting that the line was connected.

Orion Exeor ( Divination Master for the Wade Family )'s voice came from the other end of the phone: "Hello, who?"

Charlie said, "Mr. Exeor , it's me, Charlie."

Orion Exeor ( Divination Master for the Wade Family ) heard Charlie's voice at once, and said in surprise: "It's Master Wade! Why did you call me suddenly?"

Charlie said: "That's right, I don't know if it is inconvenient if I want to ask you about it."

Orion Exeor ( Divination Master for the Wade Family ) said hurriedly: "Please tell me."

Charlie asked, "Do you know an old man named Mai? He is also an overseas Chinese in the United States."

"Mai?!" Orion Exeor ( Divination Master for the Wade Family ) asked in surprise, "Master Wade saw him?"

"Yes." Charlie said calmly: "I saw you, but didn't meet up seriously. I feel that he came to Aurous Hill as if he came to find me, so I want to ask you about this person."

Orion Exeor ( Divination Master for the Wade Family ) sighed: "Mai knew that I had a great opportunity after meeting you in China, and he was also longing for it, so he also wanted to go to China. Someone asked him to come over and do something.

He figured out the possibility. There was another opportunity, so it passed.”

Charlie asked again, “How about Mai?”

Orion Exeor ( Divination Master for the Wade Family ) said earnestly: “A very upright Feng Shui master, who is a direct descendant of the Mai family. I have known him for many years. This person is decent and upright, and has never done anything evil.”

As he said, Orion Exeor ( Divination Master for the Wade Family ) added: “Master Wade, if there is any misunderstanding between Mai and you, please be merciful. This person is definitely not a bad person, and may just be used by a bad person.”

Charlie said: “Don’t worry, I will remember your words, thank you Mr. Exeor .”

Orion Exeor ( Divination Master for the Wade Family ) said hurriedly: “You don’t have to be polite, Master Wade, you can contact me at any time if you have any questions.”

...

At this moment.

Mai and Mike took a taxi to a cemetery outside Aurous Hill.

Taking a taxi to the cemetery at night, the taxi driver was originally unwilling to 10,000, but Mai gave a high price of 1,000 yuan, and the driver could only rush there with his teeth.

On the way, Mike couldn’t help asking Mai: “Grandpa, why did Master Xuan let us go to Phoenix Mountain Cemetery to see him at night? Isn’t this person sick?”

Mai waved his hand immediately and said seriously: "Don't talk nonsense, this master Felix year is not an ordinary person. We can't afford to offend him. He chose to meet in the cemetery. There must be his reason. You will see him later, except for what he should have. Don't say anything outside of politeness, lest you make too many words, understand?"

Mike asked in a puzzled way: "Grandpa, why should we treat him so respectfully? We have our mission. It's okay to concentrate on our mission. Why meet him?"

Mai said seriously: "I told Lord Banks a long time ago that there must be a hidden big man in Aurous Hill, but he still wants to start with that big man. master Felix came this time to help him solve this matter."

After all, Mai said again: "I have heard about this person in master Felix. This person is very evil and has many metaphysical methods that we cannot afford to provoke."

Mike asked nervously, "Grandpa, what does he want to do when he invites us to meet this time?"

Mai whispered: "I guess he wants to get some clues from us."

Mike nodded lightly, and said with some inexplicability: "But we haven't found any valuable clues in the past few days. If the Banks Family is to blame in this master Felix year, how should we respond?"

Mai sighed and said: "I am really sloppy in coming to Aurous Hill this time. Knowing that this place is unfathomable, I still rushed all the way. The main reason is that I always think about the coexistence of opportunity and danger, but I ignore that opportunity itself is very important. Difficult to grasp..."

He said, "Now that master Felix has come to Aurous Hill, things may be more variable. If the situation is not clear, we

will go back to the United States, and all the money given by the Banks Family will be returned to him.”
