

# The Amazing Son In Law ( Charlie Wade)

## Chapter 2961-2962

Charlie's words made Mai's whole person struck by lightning!

Just now, with a single finger, Charlie directly pointed Mike into the living dead, which had already shaken Mai completely.

The strength that Charlie showed just now was far beyond his ability to compare.

Now, Charlie told his details, and his meeting with Felix last night, made Mai extremely nervous!

He stared at Charlie with extremely nervous eyes, and asked, "Who are you on earth?"

Charlie sneered: "My last name is wade, and my name is Charlie."

Mai blurted out: "The old man and you have never known each other, why did you secretly investigate and follow me and steal my family compass?"

Charlie asked him back: "You are a Feng Shui who is over a hundred years old. Since you have lived in the United States for many years. At such an old age, you don't have a good old age in the United States. What are you going to do in China? You are also mixed with the sinful beasts like Felix. Aren't you afraid of smashing the reputation and signature of your Mai family for nearly a thousand years?!"

Mai's expression was a little embarrassed, and he said falteringly: "Old man...Old man...The old man is not mixed up with Felix! The old man's hands have never been bloodied!"

Charlie asked again: "Then why did you go to see him at Phoenix Mountain Cemetery last night? Besides. Haven't you seen the security guard who died at Phoenix Mountain Cemetery? Does his death have anything to do with you?"

Mai blurted out: "The reason why the old man went to see him was that he asked the old man to discuss something. The old man didn't want to have enemies with him, so he went to deal with it. As for the security guard, when the old man got there, he was already dead. Yes, naturally, there is nothing to do with the old man!"

Charlie stared at him. Asked: "What on earth did he discuss with you?"

Mai said coldly: "This is the old man's personal affair with him, it has nothing to do with you!"

Charlie sneered: "Old man, it stands to reason that someone like you should not be so hard-headed. I just think you are old, so I don't want to give you some tricks, but if you want to rely on the old and sell the old, then I can You are welcome!"

Mai felt a little flustered, but his mouth stubbornly said: "You are very unreasonable! I have no grievances with you. Who have I met, what have I talked about, and what does it have to do with you?"

Charlie said impatiently: "Don't cheat me here, I can tell you clearly, if you don't explain Felix's affairs clearly and tell me his specific movements, then don't blame me for not respecting the elderly. Love your children!"

Mai snorted: "You are not a law enforcement agency, so naturally the old man will not tell you."

"Don't tell me?" Charlie snorted coldly, and sternly said: "Since you have seen him yesterday, you know that his natal Gu worm depends on the human brain. If you catch him a day earlier, he might kill more innocent people, if you don't tell the specific facts, then you are sheltering and conniving! Everyone killed in Felix next time, you are unshirkable!"

"Joke!" Mai said arrogantly: "The old man has stood upright and walked upright all his life, and has never done anything that hurts the world. You can't even think of putting other people's poop on the old man's head! Even in the world! In front of the police. The old man must be innocent! "

Charlie said with contemptuous sarcasm: "I know what old things like you think. People like you, the most often talked about is definitely, "Everyone sweeps the snow before the door, and you don't care about other people's tiles." Frost', you think that people are killed by others,
