

The Amazing Son In Law (Charlie Wade)

Chapter 2963-2964

it has nothing to do with you? I tell you, in others, you may be confused by your bastard thinking, but with me, you are as hateful as a murderer!"

Speaking of this, Charlie yelled coldly: "I will put the words here today. If Felix kills another person in Aurous Hill. I won't bury you in the Phoenix Mountain Cemetery, because just let you die, it is true. It's too cheap for you, then I will put your grandparents in the Dog farm and live in the dog cage for a lifetime!"

When Charlie said these words, the whole person did not conceal his killing intent, and the sharp eyes made Mai feel terrified!

Although he didn't know Charlie's details, he didn't doubt what Charlie said at the moment.

When he was nervous, he couldn't help explaining: "I don't know where Felix is. This person is uncertain, and he is alone. He contacted me when I went to Phoenix Mountain yesterday and let me pass."

Charlie said coldly: "So. You should have his contact information, then find a way to help me ask him out."

Mai couldn't help saying: "This matter has nothing to do with the old man. The old man doesn't want to be involved. If you have any enmity with him, it is the matter of the two of you. Please don't involve the old man. The big deal is that we will leave tonight. It's just that Huaxia doesn't have anything to do with Huaxia anymore."

Mai had seen Felix's ability, so he didn't want to be an enemy of Felix at all.

In case, I really helped the young man in front of me find the whereabouts of Felix. In the end, this young man was not Felix's opponent. Not only would this young man have to die, he would not end well.

Since childhood, his most abiding life creed is that he doesn't want to be involved in things that are not of interest to him, so he doesn't want to be involved in the grievances between Charlie and Felix.

Seeing that the old guy didn't get in, Charlie sneered, and said, "No wonder when Huaxia was in trouble, you guys who knew feng shui, one of you guys went abroad! As the saying goes, it doesn't matter. Hang up high. It's you unscrupulous people! What kind of national justice and good morality are all shit in your eyes!"

Mai was reprimanded by Charlie. Although his face was a little embarrassed, he still said stiffly: "As the saying goes, the tree fell and the horses were scattered. Back then, so many people went abroad, and everyone had their own ambitions, and it was impossible to say who would treat each other. Wrong, not to mention. Today is a society under the rule of law. As long as everything follows the law and within the legal framework, you are a good citizen!"

After speaking, Mai looked at Charlie and said sharply, "On the contrary, you! If you dare to restrict my personal freedom, then you are knowing the law and breaking the law!"

Charlie really did not expect this old thing to be so stubborn. He had a relationship before, and he didn't look like a bad person. Only today I discovered that this old thing is not a bad person who clearly hurts, but it is far from talking about it. What a good person, and once this guy has something to do, he is still an old bastard who is selfish to the extreme, thinking that he can retreat all by himself, as for the life and death of other people. He won't look at it!

So Charlie nodded his head coldly, and said lightly: "Interesting, you are afraid of nosy, I am nosy, so if you fall into my hands, there is no possibility of retreating from the whole body. I will take it first. You go to the Dog farm for a visit. After the tour, come and tell me if you want to get involved!"

Mai stomped his feet angrily, but seeing Charlie's unwavering appearance, he was more or less scared in his heart, so his tone softened, and he said in a pleading manner: "MR. Wade, I am It's been a few years since I've been alive for years, why are you embarrassing me so much?"

Charlie snorted contemptuously: "Okay, save time, I will put the words here, as long as Felix kills one more person, I want you to die in Aurous Hill!"
