

# The Amazing Son In Law ( Charlie Wade)

## Chapter 2967-2968

Charlie said at this time: "Mr. Exeor , you have also heard that this person is as timid as a mouse and has no responsibility. Naturally, I can't just let him go. If he helps me catch Felix, I will forgive me. He lives, but if he is stubborn and allows Felix to continue to harm the people, then I will kill him!"

Mai was anxious and blurted out: "How can you be so cruel if you are so young! I have been in friendship with Brother Exeor for many years, so don't you just ignore your affection?"

As soon as Orion Exeor heard this, he immediately said: "Old Mai, you don't want to provoke discord here. I didn't beg Charlie to treat you in my face!"

Mai originally wanted to take advantage of Exeor 's face to beg for lenient treatment, but he did not expect Orion Exeor to draw a line with himself so directly. He immediately said indignantly: "Brother Exeor ! Are you starting to fall into trouble? Isn't it righteous?"

Orion Exeor's tone became a little cold, and he said: "It's not that I am not righteous, but that I owe Master Wade a great kindness, and I may not be able to pay it off in my life. How can I have the face to let Young Master Wade give me face?"

Mai was shocked.

He did not expect that Orion Exeor said so much.

"How can he owe him a great kindness to this young man before him, an old man who is over a hundred years old? Isn't this too outrageous?"

Thinking of this, he suddenly thought of Orion Exeor's previous opportunity, and couldn't help asking: "Brother Exeor , could your chance be related to this person?!"

Orion Exeor fell silent all at once.

He can't say these words.

Because he didn't want to go against Charlie's wishes and reveal his identity to the outside world.

However, Orion Exeor's silence caused Mai to slam in his heart, and suddenly he blurted out nervously, "Brother Exeor ! You really owe your chance to him?!"

Orion Exeor said vaguely: "I have no comment on this matter!"

Charlie said calmly: "Mr. Exeor , since he wants to know so much, why not just say it?"

When Orion Exeor heard this, he grimaced and said, "Hey, Mai, you are confused! You guessed it, Master Wade is the great benefactor who gave me great opportunities! You travel all the way to China to find opportunities, how can you still Offended Master Wade?!"

"Ah?!" Mai only felt five thunders!

Before, he repeatedly asked Exeor about the details of his chances, but Orion Exeor said that he must not reveal the identity of the benefactor, even his children and grandchildren.

In Mai's view, Orion Exeor's chances were so great that he could reach the sky. At that time, Qin Shihuang used the power of the whole country and failed to turn back time and live forever. But he went to China for three years and returned to the United States after three years. , The whole person is twenty years younger, how can he not let Mai be moved?

However, although he was looking forward to it in his heart at the time, he was helpless in the face of the tight-lipped Orion Exeor.

Originally, he also thought about running to China to look for opportunities, but for the huge China, it would be difficult to find it on his own.

However, this matter has been lingering in his heart, and it has become the wish that he wants to realize the most in his heart.

This time I came to Aurous Hill because I discovered that there was an opportunity mixed in during the divination, so I made a special trip from the United States.

But he never expected that the great opportunity he was looking forward to in his dreams would turn out to be the young man in front of him!

For an instant, he felt extremely remorseful in his heart, and he couldn't help but secretly thought: "I knew this was the case. Even if I killed me, I can't offend this true God!"

Thinking of this, his legs softened, he knelt on the ground with a puff, and said in tears: "Master Wade, I'm so sorry, I'm so confused, you must not be familiar with me!"
