

The Amazing Son In Law (Charlie Wade)

Chapter 2969-2970

Seeing Mai kneeling on the ground and begging, Charlie felt nauseated and said coldly: "If you still want to return to the United States in this life, then you will honestly cooperate with me to catch Felix. If I can catch him before Felix kills again, I will give you a chance to go back alive, otherwise, as I said, make plans to die in Aurous Hill!"

When Mai heard this, he naturally did not dare to refute or resist any more, and the old tearful said: "What Charlie said is what he said, the old man's fate is..."

At this time, he had already realized that Charlie in front of him was a figure he could not afford to provoke.

"Aside from anything else, Orion Exeor's ability alone is better than me, but he is respectful of him. From this we can see that this person is definitely not a thing in the pool..."

"More importantly, this person is young but has the ability to make Orion Exeor 20 years younger. This level alone is far beyond my own knowledge!"

"Although I don't know if he can kill Felix, but I know if I annoy him, he will definitely not make me feel better..."

On the phone, Orion Exeor couldn't help but sighed: "Old Mai, you should have promised Master Wade, why bother to get this field now!"

Mai was also very regretful.

I thought to myself: "How do I know that he is the noble man who gave you the great opportunity! If I knew it earlier, I would have nothing to do with what he asked me to do. Then I will cooperate with him well, maybe he will also give me one." A great opportunity..."

"It's alright now. I just offended people like this. Now, instead of getting any benefits, I have to bite the bullet to cooperate. This is considered to be a good cooperation with him. Afterwards, he may not easily bypass himself. As for the great opportunity, Don't even think about it..."

Seeing that Mai finally gave up resisting, Charlie said: "Since you have agreed, then first tell me the details of your meeting yesterday, such as what the two of you talked about."

Mai did not dare to delay, and hurriedly told all the details of the meeting with Felix yesterday.

There are three very important points.

The first one is that Felix 's goal in Aurous Hill is to find himself and then kill himself;

Second, Felix asked Mai to find a breakthrough point from Zara. From this, it can be confirmed that this guy with the Felix must have received news from Lord Banks. He felt that he had a close relationship with Zara and passed through Zara. Knowing the fish can find yourself;

The third, Felix took two missions from Lord Banks. The first mission was to kill himself, and the second mission was unclear.

After clarifying this, Charlie said coldly: "Since you are willing to cooperate with me, then give Felix a call and tell him that your investigation has made significant progress. Ask him out for a meeting. I want to set him up. Set, catch a turtle in an urn."

Mai hurriedly asked: "Then if he is asking me for relevant clues on the phone, what should I say?"

Charlie opened the mouth and said: "Simply, just say that you want to talk to him face to face so that you can give him this relevant clue."

Mai asked again: "What are the specific conditions?"

Charlie said indifferently: "You said that it was too easy for him to make money. You have tossed over at such an age and spent a few days in Aurous Hill. It is much harder than him, so I hope to get a certain share from him. Compensation."
