

The Amazing Son In Law (Charlie Wade)

Chapter 3005-3006

A person invested 500,000 yuan to open a shop. When others asked about his design investment, he would definitely increase a certain percentage on this basis.

On the one hand, it is for the sake of face, and on the other hand, it is also to raise the barrier of entry for this industry.

The second is that the biggest dream of almost all businessmen is the empty glove white wolf. For businessmen, the empty glove white wolf is the peak commercial achievement, because only the empty glove white wolf can achieve absolute net profit. .

Therefore, she didn't know how much money Charlie could spend to run this business.

Charlie thought slightly for a moment, and said: "In the first stage, I will first put out 5 billion US dollars as the start-up capital, and I may add tens of billions of dollars in the future, but it depends on our first stage. How effective is it?"

After that, he asked Ziva Hank: "In your opinion, five billion dollars is enough for the first stage?"

Ziva Hank said without hesitation: "Enough is enough, absolutely enough! In this way, I can expand the scale on the basis of the original idea, and we can place an order for ten new freighters to the shipbuilding enterprise at one time. , So next year, our capacity will be greatly improved."

Charlie nodded, and said: "These are all for you to decide."

At this time, there was another knock on the door and the voice of Secretary Doris Young: "Mam, Miss Jesmin and Miss Ito are here."

Doris Young hurriedly said, "Please come in quickly."

Charlie said to her and Ziva Hank at this time: "Jesmin and Ito are still not clear about my situation at Wade's house. Please pay attention to it later and don't say anything."

The two nodded and agreed.

At this time, the office door was pushed open by the secretary, and the glamorous Jasmine walked in together with the Ito Nanako.

Seeing Charlie, Jasmine respectfully said: "Master Wade!"

Nanako Ito couldn't hide his excitement and said, "Charlie!"

Ziva Hank was amazed when he saw the stunning beauty of the two of them.

She really didn't expect that there were so many beautiful women beside Charlie.

Just being a Doris Young has already shocked her, but she did not expect that the two beauties at the moment are no worse than Doris Young.

Moreover, Ziva Hank thought very confidently that if he were to add himself, these four women would not be exaggerated to say that they were the four gods...

She couldn't help wondering why so many beautiful women called Charlie differently. For example, she was called Mr. Charlie, Doris Young was called Master Charlie, and Jasmine was called Master Charlie, and Ito Nanako called him. Mr. charlie.

Somehow, she always felt that Ito Nanako's name for Charlie was really ambiguous. It sounded more intimate than MR. Wade, Master Wade or Young Master.

Charlie said to the two at this time: "You two are here just right. I am talking about ocean transportation with Ziva and Doris.

After speaking, they made a brief introduction to each other.

Afterwards, Nanako Ito said, "By the way, Mr. charlie, I have received news that the Banks Family's ocean shipping group has completed the shareholder change, and now all the shares are in the name of Zara from the Banks Family. This group holds There is a very large ocean-going transportation fleet, but they are still in a state of being blocked, and the entire group cannot be activated. If Mr. charlie can find a breakthrough from Zara, he will definitely be able to get twice the result with half the effort!"
