

The Amazing Son In Law (Charlie Wade)

Chapter 3019-3020

Hearing that Mai's phone was turned off, Lord Banks almost collapsed to the ground in shock.

Felix was killing innocent people everywhere, so he disappeared. Who would have thought that Mai, a 100-year-old man who never killed, also disappeared.

He couldn't help but trembled: "Could it be that...Is that guy even the one-hundred-year-old man let go?!"

Bank's Butler wiped a cold sweat and blurted out: "Master, Felix's car was smashed into a ghostly look by lightning. He himself certainly cannot be spared. As for Mai, I think he has two possibilities. Either died or ran away."

"Running?" Lord Banks frowned, and he shook his head for a moment, then nodded and said: "This old guy can pinch, maybe he will be in danger, so it's possible to run ahead of time..."

As he said, he sighed deeply, and said: "Whether this old guy is dead or alive, in my opinion, it is impossible for me to use it anymore. Felix is also likely to be dead, and there is no card in my hand. ..."

Bank's Butler hurriedly asked, "Master, what shall we do next?"

Lord Banks shook his head and murmured: "I don't know..."

...

At the same time, Zara came to Shangri-La on the grounds of visiting Ito Yoehiko.

Ito Emi's younger sister, Emi Ito, came to the hotel lobby to greet her, and then took her to Ito's room.

It's just that at this time Ito Yuhiko was enjoying a massage in the SPA center, and it was Charlie who was waiting to meet Zara in his room.

Emi Ito rang the bell outside the door, and then pushed the door to come in. He respectfully said to Charlie: "Mr. Wade, Miss Banks is here."

Charlie nodded: "Thank you, Ms. Ito."

Ito Emi hurriedly said: "Mr. Wade, you are polite! If there is nothing wrong, I will withdraw first, and you can talk to Miss Zara."

After speaking, she stepped back and sent Zara in.

From the moment Zara followed Ito Emi into the room department, his heartbeat continued to accelerate.

Now, seeing Charlie sitting on the sofa, his heart rate has accelerated to the extreme.

She bowed to Charlie nervously and excitedly, and shouted, "charlie..."

Charlie smiled slightly, and after inviting her to sit down on the sofa, he asked her: "How are you feeling these past two days?"

Zara hurriedly said, "Very good, thank you for your concern..."

Charlie nodded and asked her, "I heard that you asked the Ocean Shipping Group to come from your grandfather?"

"Yes." Zara said: "You let me become the head of the Banks Family in three years. I don't know if I can do it, but after all, I have to take the first step."

Charlie agreed and said: "You have made this move very well. For you, it is already considered as the maximum benefit."

Zara couldn't hide her shyness and said, "Thank you for the compliment..."

Charlie asked her: "Then what are your plans next? The Banks Family's ocean shipping group is currently completely banned. If you don't find the way quickly, the stall business might fall into your hands."

"Yes." Zara said: "In fact, I intend to sell the entire ocean shipping group directly for cash. Use the realised funds to do other businesses..."

"But I thought about it later. If I sold the Banks Family's ocean transportation group, then my grandfather would definitely hate me, and the entire Banks Family would treat me as an enemy. In that case, I might never have a chance in my life. Become Banks Family Patriarch..."
