

# The Amazing Son In Law ( Charlie Wade)

## Chapter 3039-3040

Isaac Cameron answered the phone at this time, then walked to the front, and said, "Master, Miss Sun's brokerage team has sent a confirmation letter and has booked 85 rooms in Shangri-La with more than 150 people. Check in tomorrow."

Charlie asked curiously: "She is coming to Aurous Hill?"

"Yes." Isaac Cameron said: "Ms. Sun's concert will be in three days. Her team will come to the venue tomorrow, rehearse the day after tomorrow, and sing the day after tomorrow."

Charlie nodded and smiled: "Looking for the stars and the moon, I finally looked forward to her, but why didn't this girl say hello to me?"

Isaac Cameron smiled and said, "Maybe I want to give you a surprise."

Charlie waved his hand: "If you really want to give me a surprise, I won't set the hotel in Shangri-La."

While speaking, Charlie took out his mobile phone and said, "I'll call her."

Isaac Cameron quit the office wittily, and Charlie got through Stefanie Sun's phone.

Stefanie Sun answered the phone and asked with joy, "Charlie, why call me at this time?"

Charlie smiled and said, "Is there anything wrong with calling at this time?"

Stefanie Sun smiled and said: "Of course there is no problem, but I was a little surprised when I received your call. You don't usually take the initiative to call me."

Charlie said hurriedly, "Isn't it because I heard Old Isaac say that your team will come tomorrow? How about you? Will you come tomorrow?"

Stefanie Sun explained: "I won't go there tomorrow. My team will go over and check and accept the hardware of the venue, including lighting and sound, stage design, and on-site display materials. The rehearsal will start at noon the day after tomorrow, so I fly early the day after tomorrow. Go to Aurous Hill."

Charlie said, "I thought you would come over tomorrow."

Stefanie Sun said apologetically: "I'm sorry, Charlie, I won't be able to make it tomorrow. Tomorrow, Eastcliff will have a very popular talent show to be recorded in the finals. I have long been invited to be a special guest and judge for the finals. So I have to go to the recording tomorrow, so I have to trouble Charlie brother to wait for me for a day."

Charlie said very understandingly: "It doesn't matter, work is important, but you must take care of your body and don't work too hard."

Stefanie Sun said: "Don't worry, Charlie, tell you a little secret. I have already decided. I will quit the entertainment circle indefinitely when the concert tour is over."

Charlie asked in a puzzled way: "Didn't you do a good job? Why do you want to quit?"

"Because it's boring." Stefanie Sun said seriously: "I entered the entertainment industry to have a chance to find you. After I found you, naturally there is no reason to stay in this line. If it weren't for the fact that there are still many fans looking forward to this year I've long wanted to announce my withdrawal from the concert tour, so this time I plan to officially quit after the concert tour is finished. This is also an explanation to the fans."

Charlie smiled slightly and said softly: "No matter what you want to do, I will support your decision."

Stefanie Sun said happily, "I know that Brother Charlie loves me the most!"

Then, she hurriedly reminded: "Charlie, I am going to quit the entertainment industry. Please don't disclose it to the outside world. I plan to announce it on the spot during the Aurous Hill concert, okay?"

"Of course." Charlie said seriously: "Don't worry, I must be tight-lipped."

Only then did Stefanie Sun relax, and said with a smile: "I have spent a lot of thought on this concert. By that time, Charlie, you must not miss the appointment!"

Charlie said confidently: "Don't worry, even if the sky falls, I won't miss the appointment."

Stefanie Sun was in a good mood, and said softly, "Hee hee, that's good! I hope you can have this unwavering attitude in dealing with our marriage contract!"

Charlie suddenly became ashamed, and hurriedly turned away from the subject and asked, "By the way, how are Uncle Orrin (Sun) and Aunt Angie?"

Stefanie Sun smiled and said: "They are so good that they can't be better. This time they also said they are going to Aurous Hill to watch my concert. Come and see you by the way!"
