

# The Amazing Son In Law ( Charlie Wade)

## Chapter 3041-3042

Charlie did not expect that Orrin Sun and Angie would also come to Angie.

After hearing the words, he hurriedly asked: "How did Uncle Orrin (Sun) and Aunt Angie arrange the itinerary? Do you want me to arrange accommodation in advance?"

Stefanie Sun smiled and said, "My parents guessed that it was the day of the concert that could only go there, and they had a lot of things on the side of Eastcliff. They went to the concert that day and returned by plane at night."

After speaking, Stefanie Sun said again: "Actually, my parents are not here to watch my concert. After all, the next performance of my concert will be in Eastcliff. They mainly go to see you. By the way, celebrate your birthday."

Charlie heard that Orrin Sun and Angie were both coming to celebrate his birthday, and he was moved and felt a little ashamed. Busily said:, as a junior, how can I let Uncle Orrin (Sun) and Aunt Angie run so far to celebrate my birthday..."

Stefanie Sun smiled casually and said: "Oh, it doesn't matter, parents treat you as their own children, let alone you saved my dad's life and saved our family's destiny, with this kindness. Even if you run away When you go to the United States, your parents will definitely rush over to celebrate your birthday!"

After speaking, Stefanie Sun said again: "Charlie, do you remember that when you were young, every time you celebrate your birthday, or when I celebrated my birthday, our two families would always take time to celebrate together. At that time, because Dinner will be eaten at home with a large family, so we all go out to find a place for a meal with a family of six at noon."

Charlie said confidently: "Of course I remember! Every time I celebrate my birthday, you always surround me to sing birthday songs. When you celebrate your birthday, my mother asks me to sing it for you, but I am always embarrassed. ..."

"Yeah!" Stefanie Sun said with a smile: "You were introverted back then, you didn't speak much or play with me, I took the initiative to pester you every time..."

Charlie sighed, I was not because of introversion, but because of embarrassment and awkwardness!

Just imagine. How old is a child who is told that he is going to marry that little girl who is like a worm in the future, can he feel awkward?

However, Charlie did not say this, but smiled: "Maybe I was shy when I was young."

Stefanie Sun smiled and said, "Charlie, how about you spend noon with our family this time on your birthday, okay? My parents will be very happy, what do you think?"

Charlie was thinking about the time, and Stefanie Sun hurriedly added: "Charlie. I know that you will definitely have to stay with your wife at home for dinner on your birthday, so I set the start time of the concert to eight o'clock in the evening..."

"In this way, you can have dinner at home at six o'clock in the evening, celebrate birthdays with your wife and your father-in-law and mother-in-law, and then set off to the gym at seven o'clock."

"Since you eat at home at night, you don't have to eat at noon, right?"

Speaking of this, Stefanie Sun's voice said imploringly: "Charlie, my parents came so far, you always have to give them a chance to eat with you and celebrate your birthday! In addition, I too imagine like you did when you were a child. When you blow candles and make a wish, sing a birthday song next to you, OK?"

When Charlie heard this, he was moved in his heart and knew that he would definitely not be able to refuse Stefanie Sun's request.

Therefore, he said without hesitation: "Okay! At noon on the birthday day. I will let Don Albert vacate the entire Heaven Springs, then let's eat there!"

"Great!" Stefanie Sun cheered, and said excitedly: "Then it's settled, I'll prepare the birthday cake when that happens!"

Charlie smiled and said, "I'll just buy a cake myself, so don't worry about it."

"How do you do it!" Stefanie Sun said hurriedly, "How can the big birthday star buy the cake by himself! Besides, for you, straight male cancer patient, the cake you choose is definitely not good-looking, or I will order it from Eastcliff first. Ask them to do it early in the morning and then airlift it over."

Charlie said helplessly: "You don't need such a lot of trouble, right?"

Stefanie Sun said very seriously: "Of course it is necessary! This is the first time I have celebrated your birthday in nearly 20 years. You must choose the best cake. Even if there is a little regret, I can't forgive myself!"

Charlie had no choice but to say: "Well then. The cake matter is left to you."

Stefanie Sun said again and again: "Hmm! Just leave it to me, Charlie, you don't have to worry about anything!"

"Okay!" Charlie replied, and then asked: "Oh, yes. When will you come over the day after tomorrow?"
