

The Amazing Son In Law (Charlie Wade)

Chapter 3043-3044

Stefanie Sun smiled and asked, "Why are you so clear? Are you going to pick me up at the airport?"

Charlie responded: "If time permits, I can pick you up."

"That's great!" Stefanie Sun said hurriedly: "You can tell me, when you allow the day after tomorrow, I will fly over at the time you allow! Anyway, I take my private jet, any time is fine."

After speaking, Stefanie Sun hurriedly added: "Oh yes, Charlie, I'm going to the venue for rehearsal at 2 o'clock in the afternoon, so I will get to Angie at 12 o'clock at the latest. Do you think your morning time is right?"

Charlie thought for a while, and said, "I will send your sister-in-law to the company at 8 o'clock in the morning. Other times should be fine."

Stefanie Sun muttered: "I don't recognize her as my sister-in-law! Except for myself. I don't recognize anyone as my sister-in-law, I will be my own sister-in-law!"

Charlie was embarrassed and said helplessly: "Let's just talk about business, I can do it any time after nine o'clock."

Stefanie Sun thought for a moment, and then said: "Well then, I will land at around ten o'clock. Then I can go to the hotel to put down my luggage first. Charlie, is your time okay?"

Charlie said readily: "No problem!"

Stefanie Sun said happily: "Charlie, since you have said everything, you must not let me dove."

Charlie hurriedly said, "Don't worry, it won't."

Stefanie Sun smiled and said, "That's good, Charlie, I have something to do now, so I won't tell you for now, you will wait for me in Angie!"

"it is good!"

On the other side of the phone, before hanging up, Stefanie Sun kissed the phone: "Mua! Charlie is the best!"

Charlie shook his head and hung up the phone helplessly.

After that, Charlie called Don Albert, the phone was connected, and Don Albert on the other end asked, "Master Wade, what do you want?"

Charlie said: "Don Albert, at noon on the day Erlong raised his head in February, did Heaven Springs make many appointments?"

Don Albert said without hesitation: "Master Wade, if you want to use it, I will arrange to cancel all appointments immediately."

Charlie said: "This won't make you embarrassed, will it?"

"No." Don Albert said with a smile: "Our Heaven Springs does not guarantee that the reservation will be 100% successful. If the reservation fails due to our reasons, we will compensate a portion of the cash according to our regulations, so I am here. The side has absolute control."

Charlie said: "Okay, then you can help me withdraw all other appointments. I will entertain guests at noon that day."

Don Albert said without hesitation: "Okay Master Wade, I will arrange this."

Charlie said again: "For the compensation for the pre-determined customer, you can ask your finances to calculate the total and tell me, I will pay the money."

Don Albert said hurriedly: "Master Wade, what are you doing... You gave Don Albert this old life. Why are you polite to me if I take your money? Where to put this old face....."

Charlie smiled slightly: "Okay, then I won't be polite to you, you can arrange it."

Don Albert smiled and said, "Master Wade, I'm doing errands, don't worry!"
