

The Amazing Son In Law (Charlie Wade)

Chapter 3049-3050

Hearing this, Deana said thoughtfully: "According to your analysis, it is estimated that ninety-nine percent of the girl from the Sun family is Aurous Hill who came to Charlie."

Zara banks suddenly felt a panic.

"I originally thought that my benefactor's wife was my biggest competitor, but I didn't expect that there would be another Stefanie Sun who was popular all over the world..."

"Moreover, Stefanie Sun's advantage is much greater than mine..."

"What's more, the Sun family and the Wade Family are family friends. Stefanie Sun and Charlie have long been married. In comparison, I really have no advantage at all..."

Seeing Zara banks's expression lost, Deana comforted him with words: "Zara, don't think too much in your heart. Feelings are not measured by their advantages. Some people may not win with a good card, but there are People who have a bad hand can win to the end."

Zara banks nodded gently. She also expected that a man like Charlie would be very popular with women, so after thinking about it, she didn't think Stefanie Sun was really a big problem.

At this time, Deana on the side remembered something and asked her: "Zara, when is the concert of the girl from the Sun family?"

Zara banks said: "The day after tomorrow."

Deana thought for a while and blurted out: "The day after tomorrow is the second month of the lunar calendar, right?"

Zara banks shook his head: "I don't know, I don't usually remember the lunar calendar."

Deana took out his mobile phone and took a look, and said with certainty: "Yes, Erlong looked up in February, no wonder she chose this day to come to Aurous Hill for a concert."

Zara banks asked in surprise: "Mom, is there anything special about the second month of the lunar calendar?"

Deana said seriously: "Charlie's birthday is the second month of the second lunar month."

Zara banks was even more puzzled: "Mom, how did you know Charlie's birthday?"

Deana smiled bitterly and said: "When you really love someone, you will unconsciously pay attention to everything about him, and even all the information related to him. I have loved Bruse for so many years, how could I not know his son? Birthday."

Zara banks saw her mother's expression a little bit of sorrow, and hurriedly embraced her gently, and said with a smile: "Mom, it is an honor for Uncle Wade to have a woman like you who loves him so much."

Deana smiled and said, "Stop talking about this, Mom will show you in and see which room you like."

Zara banks smiled and said, "I want the room that my benefactor lived in!"

...

At this moment, Shangri-La.

After Charlie saw Zara banks and talked with Stefanie Sun on the phone, he did not leave in a hurry. Instead, out of politeness, he was asked to call Ito Yuihiko back and met him.

Zara banks came to see herself this time. After all, she was also under the name of seeing Ito Yuhiko, and she worked hard to pick up and drop off Ito Emi all the way, so her size can be regarded as personal affection.

Sitting in a wheelchair, Ito Emi pushed him back to the presidential suite he reserved. When he saw Charlie, he smiled and said, "Mr. Wade, how are you doing these days?"

Seeing that he looked good, Charlie smiled slightly: "Excuse me, Mr. Ito, I've been pretty good lately."

After speaking, he saw Tanaka sitting in another wheelchair behind Ito Takehiko, and smiled and said to him: "Mr. Ito, long time no see."
