

The Amazing Son In Law (Charlie Wade)

Chapter 3071

If you just use pretense to retaliate against the little conflict that I had with you on the phone, Then you have to weigh it in advance, if the incident happens, can you cover it!"

When Isaac Cameron heard this, he couldn't help laughing: "You have moved out our eldest lady from the Wade Family. Naturally, I can't cover it."

When Rishab heard this, he instantly gained confidence and said in a cold voice: "Since you can't cover it, let me go quickly, otherwise, I won't be able to eat it!"

Isaac Cameron smiled and said: "Don't interrupt me in a hurry. As for me, I have limited ability and I really can't cover it, but the one next to me can definitely do it."

As he said, he pointed his finger at Charlie next to him, and said to Rishab: "If you are not convinced, you can talk to the one next to me."

Rishab looked at Charlie and quickly compared his face in his brain memory.

However, after thinking about it, he couldn't find any memory points related to this face.

So, he couldn't help but wondered: "If this guy is great, why do I have no memory of him? Whether it's the Wade Family, the Banks family, or the

Sun family, I remember the young men from their families who are very familiar with others. I know some of the more powerful families, but this kid is really good at it. Isn't he a big man?"

Thinking of this, he couldn't help but ask: "This friend, are there any festivals between us?"

Charlie smiled slightly: "It's not a holiday, I just see you upset."

"Grass!" When Rishab heard Charlie's voice, he immediately confronted the unknown man on the phone, blurted out a word, and then said angrily: "So it's you! You f*cking What the hell did you dare to do against me? Believe it or not, the first thing I leave here is to kill you?!"

Charlie smiled and said, "Are you asking me where I came from? My name is Charlie, I wonder if you have heard of it?"

"Charlie Wade ?!" When Rishab heard these two words, the first reaction in his mind was: "I wipe, this guy's surname is Wade, then will he belong to the Wade Family?!"

However, he carefully reviewed all the younger generations of the Wade Family, and after confirming that there was no one named Charlie, he said with a vigilant expression: "I know people about the same age as me in the Wade Family, but just I've never seen you before, are you a relative of the Wade Family?"

The Wade Family does have many branches of relatives. These relatives are spread all over the country and even around the world. Although their surnames are also Wade, their economic strength is far worse than that of the Wade family.

Therefore, if it is a member of the Wade Family, Rishab will definitely not be able to provoke him, but if it is a relative of the Wade Family, then Rishab is really not stage fright.

After all, the Zhong family is also a family with a face and a face, and the relationship between his family and the Wade Family is pretty good. How can he allow a foreigner to sit on his neck and shit?

At this moment, Charlie smiled playfully and asked him: "You just said that you know Cynthia Wade, are you familiar with her?"

"Of course!" Rishab blurted out: "Aunt Wade and my father have a very good relationship. We had dinner together a few days ago!"

Charlie asked with interest: "Since you are so familiar with Cynthia Wade, haven't Cynthia Wade mentioned me in front of you?"

Rishab curled his lips and said disdainfully, "You are just a relative of the Wade Family. As far as I know, there are young people like you in the Wade Family's relatives. There are even 800 young people like you. How could Aunt Wade mention it in front of me? Past you?"

Charlie smiled and said, "Why don't you let me get your cell phone, and you call her and ask her?"

Seeing Charlie's playful look, Rishab couldn't help panicking, and wondered, "Is this guy really a big man with a lot of background?"

But think about it, it's not bad to be able to call Cynthia Wade, at least there is a chance to send out a signal to move rescue soldiers!

So, he immediately nodded and said, "Okay! You return the phone to me, and I called to ask Aunt what is your origin!"

Charlie winked at Isaac Cameron and said, "Old Isaac, let someone send him his mobile phone."

...

At the same time, the Zhong family also asked someone to inquire about the news.

According to the feedback, Rishab was escorted directly to Shangri-La by the brawny guys at the airport!

The Zhong family suddenly lost their color. Everyone knew that Shangri-La was the property of the Wade Family. Now that Rishab was arrested and moved to Shangri-La, could it not be done by the Wade Family?

However, not only did they and the Wade Family have no grievances and no grudges, their relationship was quite subtle. Why did the Wade Family tie Rishab?

So, Rishab's father Rishab's Father took out his mobile phone without hesitation and called Cynthia Wade.

In Rishab's Father's mobile phone, Cynthia Wade's name only saved the word "Cynthia", which shows that the relationship between the two is very unusual.

Sure enough, once the phone was connected, Rishab's Father felt anxious and asked in a gentle tone: "Changmin, what are you doing?"

Cynthia Wade seemed very happy to receive his call, and said cheerfully, "My, I'm doing body care."

Rishab's Father asked in surprise: "Why are you doing nursing again? Didn't you do it yesterday?"

Cynthia Wade smiled and said, "Hum, this is not because of a business trip some time ago. I don't have time to take care of my skin, so I will take care of it during this time."

As she said, she stretched out lazily and yawned, and smiled and asked, "What are you calling to find me? Did you miss me?"

Rishab's Father hurriedly said: "Of course I miss you, I don't want to do it all the time, but the main reason I call is to ask you about something."

Cynthia Wade giggled and asked, "What's the matter?"

Rishab's Father blurted out: "Rishab was taken away when he got off the plane to prepare for a performance."

"Really?" Cynthia Wade said in surprise: "Rishab is a public figure. In broad daylight, who would dare to take him away?"

Rishab's Father sighed: "Don't mention it, there is news that he was taken to the Shangri-La Hotel in Aurous Hill. I wonder if it has anything to do with your Wade Family?"

Cynthia Wade was shocked, and blurted out, "What did you say?! Aurous Hill?!"
