

The Amazing Son In Law (Charlie Wade)

Chapter 3072

Since Cynthia Wade left Aurous Hill, as long as he heard the word "Aurous Hill", he immediately felt all over his body hairy.

She has always regarded Aurous Hill as her life's Waterloo, and it may be the Waterloo that will never be able to come back again in this life, and she has long been psychologically shadowed like a black hole.

Rishab's Father heard that Cynthia Wade's voice was a little unnatural, and hurriedly asked: "Cynthia, what's wrong with Aurous Hill? Is there any problem?"

Cynthia Wade asked subconsciously: "You just said that Rishab was tied up to Shangri-La?"

"Yeah!" Rishab's Father said quickly: "The feedback came back, indeed, that people were taken to Shangri-La. I don't know if this matter has anything to do with the Wade Family, but isn't Shangri-La a wholly-owned property of your Wade Family? I just want to ask you for help and find out what's going on..."

When Cynthia Wade heard this, he almost immediately concluded that the incident of Rishab being tied must have something to do with Charlie.

Otherwise, as Isaac Cameron, he himself would never dare to attack Rishab.

Thinking of this, she couldn't help but ask Rishab's Father: "Did Rishab offend someone?"

"Offends people?" Rishab's Father said embarrassingly: "This kid offends people all day long, and he is unobtrusive all day long, but he still has a sense of measure in his heart. If he really can't offend people, he will definitely not provoke him casually.

As he said, Rishab's Father said again: "I'm afraid that he will provoke the kind of stunner who doesn't care about anything. In case the other party gets angry, regardless of his identity or the background of the Zhong family, he simply wants to punish him, then But it's not easy."

Immediately, Rishab's Father said in a pleading tone: "Cynthia, or if you are affected, call the person in charge of your Wade Family in Aurous Hill to ask?"

Cynthia Wade hesitated for a moment, and said without a bottom: "Okay... Then I first inquire about the specific situation."

"Okay!" Rishab's Father breathed a sigh of relief and hurriedly said, "By the way, Cynthia, don't you like jade? I asked someone to buy an emperor green bracelet from a Burmese, and it has been sent to Eastcliff. Look at you. When do you have time, come to my house and have a try?"

Cynthia Wade was a little happy at once, and deliberately smiled and asked, "Then your intention was to let me try the bracelet, or did you want to trick me into going to your house?"

Rishab's Father smiled and said: "How can you use the word cheat? It just happened that Rishab was not there today. If you can be sure that the child is safe, then in the next few days he will be in Aurous Hill, and the two of us will be able to stay well. I've been tired of it for a few days together."

Cynthia Wade smiled and said, "Okay! I'll call Aurous Hill and ask, it shouldn't be a big problem."

Rishab's Father said with joy: "That's really great! I'm waiting for your good news!"

Cynthia Wade said: "Okay, hang up first, I'll call and ask."

Cynthia Wade, who hung up, felt a little unsure in his heart.

She thought to herself: "If Rishab really offends Charlie, then I am afraid there is really no good way..."

"After all, Charlie dared to detain even my aunt, let alone a second generation ancestor with no blood relationship?"

However, she changed her mind and thought: "Regardless of whether there is a way, let's call me to find out what's going on. After all, his father has called me, and I still have to do my best."

In recent years, Cynthia Wade and Rishab's Father have maintained an improper relationship between men and women.

Rishab's Father's wife passed away early, and she has been traveling through the flowers over the years, and she has often contaminated women. As for Cynthia Wade, he also disliked that her husband's strength was getting worse and her husband was becoming more and more impatience, so she had long since lost feelings with her husband.

Originally, Cynthia Wade wanted to get a divorce, but the old man of the Wade Family felt that his daughter is now in his forties and 50s. Now the divorce is really insulting, so he didn't agree to it.

Cynthia Wade had always been wholeheartedly to please the old man, seeing that he didn't want to divorce him, he didn't mention it again.

However, since the relationship broke down, Cynthia Wade has separated from her husband directly. The two rarely meet now, and they are basically strangers, but the relationship between husband and wife still exists.

As for Cynthia Wade and Rishab's Father, they were originally old classmates, and they had no improper relationship at first.

But at a class reunion a few years ago, Cynthia Wade drank some wine. After drinking, everyone talked about the status quo. She complained to her classmates about the

breakdown of her relationship with her husband, but she couldn't divorce because of her father's request. Rishab's Father, who had long been widowed, was thinking about it.

For Rishab's Father, who is traveling through the flowers, he must not look down upon a half-aged mistress like Cynthia Wade.

Although Cynthia Wade still has the charm, after all, his age is here, no matter how much attention he pays to appearance, he can't compare with the young girls of eighteen, nine, or twenties.

And Rishab's Father, an old hooligan who has already let go of himself, has always had a good taste in choosing women. Even if he is over 50 years old, he basically won't even look at a woman over 25 years old.
