

The Amazing Son In Law (Charlie Wade)

Chapter 3074

In his opinion, whether he can make a comeback and kill this extremely arrogant guy is all dependent on this phone call!

At this moment, Cynthia Wade was about to call Isaac Cameron. He suddenly received a call from Rishab. He was a little astonished and shocked. Then he hurriedly pressed the access button and blurted out: "Rishab, what's the matter with you?" Your dad called me just now and said that you were taken away in Aurous Hill, and he was anxious."

Rishab seemed to have grasped the life-saving straw, and cried, "Auntie , you have to save me, Auntie !"

Cynthia Wade hurriedly said, "Rishab, don't worry, and tell your aunt slowly, what is going on?"

Rishab's grievances full of stomach could no longer be suppressed, and he choked and said, "Auntie , a guy named Charlie asked Isaac Cameron from the Wade Family to tie me to Shangri-La. They also found hundreds of brawny men. When I came to the airport and humiliated me, I suspect that this guy is a cousin of the Wade Family, you must help me to be fair!"

Speaking of this, Rishab suddenly started to cry.

When Cynthia Wade heard this, his heart suddenly became cold.

She murmured in her heart: "All Aurous Hill, I can help you deal with anyone you provoke, but Charlie can't provoke, but you still provoke Charlie... You also asked me to help you be fair, you know I don't know that when Charlie detained me in Aurous Hill, no one could help me hold justice..."

Seeing that Cynthia Wade on the other end of the phone stopped talking, Rishab immediately asked in a hurry: "Aunt Cynthia, are you listening?"

Cynthia Wade suddenly came back to his senses: "Huh? Uh...I...I'm listening..."

Rishab lost control of his emotions, crying in disintegration, and said: "Auntie ...you...you must help me...I...I grew up so much, neither...have never suffered this...such a grievance. !"

"And... and they not only humiliated me, but... they beat me f*cking!"

"Now I... my face is pumped... it's swollen..."

"But I will be attending Stefanie Sun's concert in a few days, and be... as her special guest..."

"The face... the face is swollen like this, how can I... how to meet people?"

"I...I can't do that...I will wear a mask and pretend...I will pretend to be the King of Masked Singer..."

Cynthia Wade heard him cry like this on the other end of the phone, but his heart was very weak.

She sighed, and asked, "Rishab... why did you provoke Charlie?"

Rishab cried and said: "I...I just quarreled with him on the phone, but I didn't think I was caught by his people when I got off the plane..."

Cynthia Wade said helplessly: "Rishab, whoever you provoke in Aurous Hill can help you solve, but only provokes Charlie, auntie is also helpless!"

"Ah?!" Rishab blurted out subconsciously: "Why Aunt Cynthia! You are the eldest lady of the Wade Family, and he is just a relative of the Wade Family. What can't you afford to offend him?"

Cynthia Wade said in embarrassment: "Rishab, he is not a relative of the Wade Family, he is the son of my second brother Bruce, Charlie!"

As soon as he said this, Rishab buzzed in his mind.

He has heard of Bruce's name since he was a child.

As for Charlie, he didn't quite understand it.

He only knew that Bruce had died early, and that a son had also disappeared long ago.

But I never thought that Bruce's son turned out to be the cold-faced young man in front of him!

He exclaimed in his heart: "No wonder he is not afraid of me at all! It turns out that he is not a relative of the Wade Family, but a descendant of the Wade Family! He is the grandson of Lord Wade, the elder of the Wade Family!"

Thinking of this, his legs became soft for a while, so soft that they kept swinging.

However, he suddenly thought of something, and hurriedly cried and said, "Aunt Cynthia, according to you, Charlie is your nephew, and you are his aunt. Please help me with a few good words. Plead for mercy and beg him. Let me go..."

Rishab is not a fool. He knows the kind of relationship between Cynthia Wade and his father. Although he didn't want to be in his twenties and have multiple stepmothers, if this stepmother is rich and powerful, he would also raise his hands in agreement, so he felt, Since Cynthia Wade has feelings with his father, he has to help himself with anything about this matter.

Moreover, he didn't find it difficult.

After all, Cynthia Wade is Charlie's aunt!

If my aunt asked him to let him go, he could never refuse, right?

If you are yourself, if your aunt helps others to intercede, you will definitely sell her face.

However, just when he felt that Cynthia Wade would definitely be able to handle this matter for himself, Cynthia Wade on the other end of the phone said embarrassedly: "Rishab...Auntie may also be powerless and powerless in this matter..."

Rishab was dumbfounded, and blurted out with a face full of disbelief: "Auntie , why is this?"

Cynthia Wade said awkwardly: "Although Charlie is my nephew, if I intercede for you, I think he will probably not give me this face... Maybe... maybe even... .."

Rishab hurriedly asked: "Aunt Cynthia, what will happen?"

Cynthia Wade said helplessly: "If Auntie comes forward to help you intercede, maybe it will hurt you!"
