

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3075-3077

When Rishab heard this, his whole body was dumbfounded.

He thought to himself: "Is this the f\*ck talking human? How could there be such a thing?! This stinky lady with the surname Wade, could it be that she protects her calf, knows that I have offended her nephew, so she deliberately doesn't want to help me intercede?!"

When he was angry, Cynthia Wade said apologetically: "Rishab, Auntie really didn't lie to you. If I open this mouth, Charlie's punishment to you can only be aggravated, and there is no possibility to lessen..."

Rishab heard Cynthia Wade's voice very sincere, and he was even more puzzled. He blurted out: "This...why is this auntie ...I...I can't figure it out...Are you not his aunt? Isn't he even? Are you unwilling to give you face?"

Cynthia Wade laughed at himself and said, "Hehe...he gave me face? His men dared to beat me! And after his men hit me, he didn't turn towards me, but instead turned towards his men. And he detained me in Aurous Hill for the New Year's Eve, and I begged him, but he ignored me at all, and it was useless for my dad to intercede for me..."

Having said this, Cynthia Wade felt sour when he thought of his experience when he was imprisoned in a slum in Aurous Hill, and he couldn't help sobbing.

Later, she said again: "You said, auntie can't even intercede for herself, how can she intercede for you?"

Rishab was stunned, as if ten thousand people were slashing the glass with a blade at the same time, the brain was almost out of the brain.

He blurted out subconsciously: "This...this is a brute! Who would treat his aunt like this!"

Cynthia Wade felt the same way, and sighed: "Rishab, you are right..."

Charlie, who had not spoken, suddenly asked: "Cynthia Wade, have you forgotten why I imprisoned you in Aurous Hill?"

Cynthia Wade suddenly heard Charlie's voice, and his heart was shocked.

She didn't care about it, and blurted out: "Rishab, you... have you turned on the speakerphone?!"

Rishab said awkwardly: "It's... Charlie asked me to drive..."

Cynthia Wade changed his words when he was very eager to survive, and said: "Auntie didn't finish what I said just now! The reason why Charlie imprisoned me was entirely because the aunt did the wrong thing, and the aunt took the blame on her own!"

After speaking, she said hurriedly and flatteringly: "Charlie, don't get me wrong. Auntie didn't finish her words just now, but she didn't mean anything else..."

Rishab's worldview has collapsed!

"Is this the f\*cking Cynthia Wade?!"

"Is this the f\*cking young lady who is famous for Eastcliff?!"

"Who doesn't know in the entire Eastcliff, Cynthia Wade has always been arrogant and domineering, always doing whatever he wants, and never putting anyone in his eyes!"

"But, she is now shocked by the Charlie in front of me? Knowing that Charlie is listening, it instantly seems as if a mouse has met a cat?! This full desire to survive is too terrible!"

"Is Cynthia Wade too weak or Charlie too strong?!"

Just when Rishab was shocked, Charlie asked Cynthia Wade, "So, in fact, you don't want to plead with this kid, right?"

Cynthia Wade awkwardly got goose bumps all over his body.

She found that Charlie was really bad.

She couldn't help but slander in her heart: "If you don't want to let Rishab go, just say that you can't forgive him, and it's useless for anyone to intercede?"

"But you have to be in front of Rishab and force me to admit that you didn't come to intercede with him. Didn't you trap me in injustice? Maybe I will be his stepmother in the future. If you have a routine, will this kid be against me in the future?"

Therefore, Cynthia Wade could only bite the bullet and pleaded: "Charlie, Rishab, this child is actually quite good, but sometimes he gets a little irritated, and I hope you can look at your aunt's face and spare him once. ."

Charlie smiled and said word by word: "I'm sorry, auntie, with me, you really don't have such a big face!"

After that, Charlie's voice became cold, and he sternly said: "If you didn't come to Aurous Hill so arrogantly at the beginning, I think you are the face of my elders, and I must give you enough face and face. respect."

"But you are too self-righteous to be wrong!"

"You are always arrogant, and it feels like the whole world has to obey your command!"

"But, I don't care about your domineering outside, it won't work in Aurous Hill!"

Cynthia Wade was extremely depressed by Charlie's remarks, but he did not dare to express any dissatisfaction. He could only say in a compelling way: "Charlie, auntie did not do many things in the past. After this period of reflection, I have been deeply impressed. Realized his mistake..."

She said, "As for Rishab, I believe he should have been confused for a while. Give him a chance to reform. He will definitely be able to realize where he went wrong, and he will definitely be able to..."

Charlie interrupted her directly and said indifferently: "Okay, you don't need to intercede for him anymore. An arrogant second generation ancestor like him can't really realize where he is wrong."

Rishab cried and said, "Master Wade, I know I was wrong. I didn't know and offended you. I will never do this again in the future. Please forgive me this time..."

Charlie sneered: "Look, you think you have eyes but don't know Rishab, which proves that you don't realize where your real mistake is! What does it mean to have eyes but don't know Taishan? It's just that, if you are stronger than you, you kneel down and lick; if you are weaker than you, you jump up and step on it, just like you garbage, you can't be released into society before it is completely reformed!"

As he said, he took the phone from Rishab and said to Cynthia Wade on the other end of the phone: "I heard that you have a good relationship with Rishab's father, so please help me to send him a message."

Cynthia Wade hurriedly said, "Speak up, I must convey it to him!"

Charlie said: "It is not impossible to let Rishab a horse. I give him two options. One is to stay in Aurous Hill temporarily, and when my shipping company starts, go directly to my ship as a seaman for two years. No disembarkation is allowed during the year, and when the time is up for two years, I will let him leave!"

Cynthia Wade's eyelids twitched!

Be a seaman for two years? ! How much sin would you have to suffer?

When Rishab heard this, his whole body collapsed completely.

He didn't expect Charlie to be so cruel!

He is a member of the entertainment industry, and he will continue to be in the entertainment industry in the future. If he lets himself be a seaman on a boat for two years, isn't his career in the entertainment industry completely finished?

What's more, you can't get off the ship for two years. What's the difference between this and two years in jail? !

Thinking of this, he blurted out and asked: "What is the second choice?!"

Charlie glanced at him and said lightly: "The second option is, I interrupt your two legs and you crawl all the way back to Eastcliff!"
