

The Amazing Son In Law (Charlie Wade)

Chapter 3080-3081

have not made a choice after one minute, the first choice will become four years!”

Rishab suddenly collapsed.

At this moment, he has already regretted his intestines.

I knew it was the current situation, and he wouldn't come to Aurous Hill even if he was killed.

Taking a step back, he knew that two years would really become three years, and he had already made the choice in the first place.

However, there is no regret medicine in this world.

In order not to continue to expand the loss, he had no choice but to choke his head and said: “Okay! I choose the first one!”

Charlie smiled slightly and said: “Okay, in that case, you will have to spend a few days in Aurous Hill first. When my ocean shipping company opens, I will arrange for you a route that suits you as soon as possible. Then you will You can get on the boat.”

Rishab cried and pleaded: “Charlie, can you please let me attend Stefanie Sun's concert in Aurous Hill as usual. I am her special guest. Fans all over the country are waiting to see me at the concert... “

Charlie sneered: “Is still thinking about the concert? I tell you, from now on, to the expiration of the three-year period, you will not have any chance to appear in the public eye again. Even if you board the ship, I will arrange it. People are staring at you and will not let you show up or let you have any opportunity to communicate with the outside world!”

Rishab collapsed instantly.

For this concert, I carefully planned for a long time, and also made a lot of preparations, including a live song to confess to Stefanie Sun.

Originally, he felt that he had a great opportunity to win Stefanie Sun's heart through this concert, but if Charlie didn't let him participate in the concert, wouldn't all his preparations be lost? !

If you don't see Stefanie Sun and come back three years later, Stefanie Sun might already be married...

He knelt and crawled in front of Charlie, just about to open his mouth to plead with him. At this moment, Charlie's mobile phone rang suddenly, and someone sent him a request for a WeChat video call.

Charlie unlocked the phone and sent the video call, and it turned out to be Stefanie Sun.

So, he accepted it. Soon, Stefanie Sun's exquisite and beautiful face appeared in the video. She smiled happily and asked, "Charlie, I just saw Rishab hire a fan in Aurous Hill on the Internet. The video of the camera is so funny, shouldn't you do this thing?!"

Rishab heard Stefanie Sun's voice all at once.

At this moment, his whole person seemed to be struck by lightning, and his whole person was frozen in there, unable to move.

He really didn't know that Charlie actually knew Stefanie Sun.

After all, Stefanie Sun had never heard of the marriage contract with Charlie when he was a child.

At this moment, Charlie looked at Stefanie Sun in the video and asked with a smile: "Why do you think I did this thing?"

Stefanie Sun said with a smile: "Although Rishab is indeed stupid, I don't think he should be so stupid. Besides, I think you can only do things like this kind of nasty and funny thing. Come out, another person can't think of such a detrimental trick!"

When Rishab heard this, there was a sorrow in his heart, and at the same time he couldn't help crying in his heart: "Am I a fool in Stefanie Sun's mind?"

Charlie smiled calmly at this time: "You guessed it, I really did it."

Stefanie Sun smiled and asked, "Charlie, have you had any holidays with Rishab before?"

"No holiday." Charlie said: "I haven't seen him before."

Stefanie Sun asked curiously: "Then why do you want to fix Rishab?"

Charlie smiled and said: "This guy is a bit too arrogant, I will take a lesson if I can't see it."

Stefanie Sun nodded and asked, "Charlie, is Rishab controlled by your people now?"

Charlie said: "Yes, he has been detained by my people now, what's wrong?"

Stefanie Sun hurriedly said, "Charlie, but can I beg you for something?"

Charlie said: "What are you doing so politely with me? Let's talk, as long as I can do it, I will promise you!"

When Rishab heard this, he became excited deep in his heart, and he thought to himself: "Could it be...Is Stefanie Sun going to intercede for me?! So, in her mind, although I am a bit stupid, it is still very important!"

"And... Charlie actually said that as long as it can be done, he will definitely promise Stefanie Sun. If Stefanie Sun really asks him to let me go, won't I be able to be free again?!"
