

The Amazing Son In Law (Charlie Wade)

Chapter 3086-3087

Lord Wade's words made Mukesh (Rishab's Father) very upset deep in his heart.

In his opinion, Lord Wade's remarks clearly meant protecting the calf.

I asked him myself, hoping that he would be able to save face and help Charlie to say a good word to Charlie, and see if this matter can be reduced to a major or minor issue.

But I never dreamed that Lord Wade would directly say to himself that grandson that he couldn't offend him? !

This is too deceiving!

Lord Wade seemed to guess what he was thinking, and said seriously: "Mukesh, I know you must think that I am protecting Charlie in disguise, but I tell you the truth, although Charlie is my grandson, even if I and the whole The Wade Family doesn't intervene at all, and you are not his opponent at all."

Mukesh (Rishab's Father) naturally didn't believe it. Hearing this, he couldn't help but feel angry. The tone of his speech was also a bit rushed, and he said coldly: "I'm not a fearful master, let alone a casual ride on his neck. Owner of shit! If Uncle and Wade Family can really not interfere at all, I would like to weigh with that Charlie to see who has the harder wrist!"

Lord Wade sighed and said, "If you really want to break your wrist with Charlie, I won't stop you, and I can promise you never to interfere, but if you break with Charlie and lose, you are in the future. Within a few years, there is a high probability that it will be impossible to regain personal freedom. With so many brothers and sisters in your Zhong family, if something happens to you, the control of the Zhong Group will be in the hands of others."

Mukesh (Rishab's Father) was at a loss for words.

He listened to Lord Wade's tone, and suddenly felt that Lord Wade didn't seem to be protecting the calf.

However, he really made his son so unclearly detained and worked as a seaman for three years. He couldn't accept this kind of result in any way.

However, he felt that if he really went to Charlie and broke his wrist, in case he lost, just like Lord Wade said, other half-brothers and sisters would rush to fight for himself. Resources.

Combining what Cynthia Wade said just now, he gradually felt that Cynthia Wade and Lord Wade didn't seem to lie to himself.

At this moment, a hint of retreat emerged in his heart.

Immediately, he called Cynthia Wade again, and as soon as the phone was connected, he asked in a deep voice: "Cynthia, if you tell me something, how difficult is your nephew to deal with?"

Cynthia Wade pondered for a moment, then sighed: "I haven't been in Eastcliff for more than half a month during the Chinese New Year, do you remember?"

"Remember." Mukesh (Rishab's Father) said: "At that time, I always wondered if you had someone else out there. When I meet with you, you say you are not in Eastcliff, you ask where you are, and you don't say anything. You never pick up a video call with you. ."

Cynthia Wade said depressedly: "I didn't plan to tell you about this, because it's too embarrassing, but since I'm here, I won't hide it with you."

Speaking of this, Cynthia Wade paused, took a deep breath, and said calmly: "In fact, I was in Aurous Hill during that time."

"Are you in Aurous Hill at that time?" Mukesh (Rishab's Father) hurriedly asked: "Are you with your nephew?"

Cynthia Wade said quietly: "I was imprisoned in a slum by him..."

"What?!" Mukesh (Rishab's Father) asked in amazement: "You were imprisoned by her?! Why?! You are his aunt!"

Cynthia Wade said angrily: "Aunt is in his eyes, I'm afraid it's not as good as a fart."

With that said, Cynthia Wade remembered the original suffering, and couldn't help but choked up, and said, "That time I went to Aurous Hill, and even Charlie's subordinates could slap me wantonly. When have I suffered this kind of grievance in my life? And, over half a month during the period of time, I could only live in a shanty town with a rent of a few hundred yuan a month, with a dedicated person staring at it, unable to go out, unable to shop online, and eating in accordance with the local minimum living standards, it is simply a purgatory on earth..."

Mukesh (Rishab's Father) was completely shocked.
