

The Amazing Son In Law (Charlie Wade)

Chapter 3088-3089

He knew exactly what kind of person Cynthia Wade was. If Cynthia Wade had suffered such a big loss under Charlie's hands, it was enough to prove that this Charlie was definitely not a good crop, and he would definitely not be able to chew. Hard bones!

If even Cynthia Wade can't chew, then he must be choking.

He heard Cynthia Wade's cry on the other end of the phone and hurriedly said, "Cynthia, why didn't you tell me these things earlier?"

Cynthia Wade sighed and said helplessly: "What's the use of telling you this? Even I can't provoke Charlie. Can I still let you find him to die?"

Mukesh (Rishab's Father) said with some embarrassment: "You...you can be regarded as my woman. If you say something, I will definitely be willing to go through fire and water for you!"

Cynthia Wade smiled and said, "I will be satisfied if you have this kind of heart, but I am so old, Cynthia Wade, I can still understand who can and cannot provoke.

After speaking, Cynthia Wade paused slightly and continued: "I was just like you before. I feel that Charlie is just a Wade Family who has been living outside for many years. When you come to a small place like Aurous Hill, you can't have much power; When he came to Me as the Wade Family who had fallen outside all the year round, seeing me, an aunt who has never left the Wade Family, must be respectful and respectful, but who knows that he doesn't put anyone in his eyes at all."

Immediately afterwards, Cynthia Wade said again: "Furthermore, not only does Charlie have strong strength, he is deeply rooted in Aurous Hill, but more importantly, the supporters behind him are not only the Wade Family, but the entire Sun family! It can even be said that the Sun family supports him. Attitude, much more determined than my father."

"Sun family?!" Mukesh (Rishab's Father) blurted out, "Why does the Sun family support him so much?"

Cynthia Wade asked in return: "Orrin Sun and my second brother are worshiping brothers. The two children had a marriage contract in the early years. Don't you know about this?"

Mukesh (Rishab's Father) said awkwardly: "It happened more than 20 years ago, how can I remember it so clearly..."

Cynthia Wade said helplessly, "You should always know about Orrin Sun's dying of pancreatic cancer some time ago?"

"I know." Mukesh (Rishab's Father) said: "I heard that it is inexplicable and better? It's damn incredible!"

Cynthia Wade gave a hum, and said lightly: "Charlie cured him."

"Charlie?!" Mukesh (Rishab's Father)'s jaw was almost taken off, and he blurted out: "Isn't pancreatic cancer known as the king of cancer? Even Jobs in the United States could not be cured, how did he cure it? This is a bit of a damn against common sense. what!"

Cynthia Wade chuckled twice: "Hehe, I don't know how he was cured, but he was cured, so he is not only Orrin Sun's lifesaver, but also the only son-in-law candidate in Orrin Sun's heart. Orrin Sun have a daughter. , Who is his daughter married to, who is the heir of Orrin Sun's future wealth, so think about it for yourself, can you provoke Charlie?"

Mukesh (Rishab's Father) really took it this time.

He finally knew that the Charlie that his son provoked was a complex of three forces.

Charlie is a group of his own, with the support of the Wade Family and the Sun family behind him. Under this circumstance, if the whole country can provoke other people, I might not find a few, let alone himself?

Thinking of this, his heart was desperate.

In this way, my own son can't be saved.

After thinking about it, he went from struggling and tangling in his heart to giving up naturally. Then he asked Cynthia Wade, "Cynthia, can you help me?"

Cynthia Wade said: "You said."

Mukesh (Rishab's Father) opened the mouth and said: "Talk to your nephew, and let me talk to Rishab on the phone..."
