

The Amazing Son In Law (Charlie Wade)

Chapter 3090-3091

Hearing Mukesh (Rishab's Father)'s plea, Cynthia Wade naturally couldn't refuse, so he said: "Wait a moment, I'll call Charlie and ask him."

Mukesh (Rishab's Father) sighed softly, and said dejectedly: "Okay, then you have worked hard, Cynthia."

"It's okay." Cynthia Wade comforted: "Mukesh, don't be too sad. I think Rishab's character is really not mature. It would be a good thing to hone him for three years, and continue to let him stay in the entertainment circle like this. I'm afraid it will be more difficult to achieve in the future."

Mukesh (Rishab's Father) said seriously: "Hey, you're right! I told him not to engage in these vain things, but this kid just wouldn't listen to it. If he didn't join this circle, he wouldn't be able to provoke him today. Such a thing....."

Cynthia Wade said: "Three years is not short, and not too long. Presumably Charlie is just out of punishing him, so naturally people will protect him well. You don't have to worry about him too much."

While speaking, Cynthia Wade said again: "Also, to be honest, in fact, this matter has developed to the present, and the result is not bad. As long as you cover this matter and don't reveal it to the outside, the Zhong family's face will not be affected. Damage, but you have to communicate with Rishab's brokerage company. After all, he is now a public figure. He suddenly disappeared from the public's field of vision. It will definitely attract a lot of speculation. It is better to have a more reasonable statement and inform the public in advance."

Mukesh (Rishab's Father) thought for a while, and said helplessly: "Then declare that he is going to leave the circle and go to school. This kid is not learning and skillless all day long. I really plan to send him abroad to study for a few years and go to Europe to study. It took only three years for a master's degree. As a result, he was reluctant to go. Now it's okay. What's the difference between going on board for three years and the three-year maritime technical school?"

Cynthia Wade comforted: "Okay, you don't need to be too angry. I think the method you just mentioned is quite good. When I look back, I will ask his brokerage company to make an announcement, saying that Mukesh realizes that school is important and officially announced its withdrawal from the entertainment industry. It can also leave a good impression that academics are important."

Having said that, Cynthia Wade continued: "If Rishab can let go of those brother-in-law's problems in the past three years, it would be a blessing in disguise."

Mukesh (Rishab's Father) gave a hum, and said: "Listening to you, I feel more comfortable."

Cynthia Wade giggled and said, "I feel more comfortable, right? I made you feel more comfortable that night!"

Mukesh (Rishab's Father)'s heart was itchy, and he quickly asked: "Are you doing anything right now? If it's all right, how about coming to my house? Rishab just not at home."

Cynthia Wade thought for a while and smiled: "Why are you so anxious?"

After finishing speaking, she didn't wait for Mukesh (Rishab's Father) to speak, she continued with a bit of shame: "But I'm almost done here, you wait for me, I should be able to reach your home in 20 minutes."

Mukesh (Rishab's Father) was overjoyed and hurriedly said: "Then hurry up, I'll be waiting for you at home, and I happen to have dinner at my place. Don't go back if there is nothing to do in the evening."

"Okay." Cynthia Wade didn't think much, and said: "In this way, I will call Charlie first and see if I can let you talk to Rishab."

"it is good!"

Cynthia Wade hung up the phone, and while letting people wait for him to dress, he called Charlie, and said with a somewhat flattering tone: "Charlie, I have already told Rishab's dad, he heard that Rishab is very embarrassed to offend you when he rushed into the collision, so he has no opinion on Rishab's punishment. After all, this kid has been stubborn since he was a child, and it's a good thing to practice hard."

Charlie didn't expect that the aunt who was begging for Rishab on the phone just now had a big change in her attitude.

However, he was too lazy to talk to Cynthia Wade, so he said: "Do you have anything else? I'll hang up if there is nothing else."
