

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3098-3099

Don Albert was very grateful when he heard this.

In the early years, it was relatively easy for Don Albert to make money. Relying on his special attributes and various relationships, he could make a lot of money every year by playing the sideball.

However, in recent years, Don Albert has gradually washed out. Many things that were very profitable in the past are now no longer touched, so the income has dropped sharply.

However, he has many disciples. The cost of eating horses and feeding for these people has not been reduced because of the decline in income. On the contrary, as prices continue to rise and per capita income continues to rise, their costs are also rising.

Therefore, although Don Albert has a glamorous appearance in the past few years, he has been in a state of being stretched.

Charlie suddenly took the initiative to hand over all the supply business of the Ocean Shipping Group to him in the future, and the huge profits contained in it were nothing short of a gift for him.

Moved, Don Albert couldn't help but bowed and said, "Thank you, Master Wade for your support!"

Charlie nodded and smiled: "You don't have to be so polite between you and me."

After speaking, Charlie said again: "I will give you Ziva Hank's contact information later, and you can talk to her directly about the business connection in the future."

Immediately, Charlie remembered something, and then said, "Oh, right, what will happen on the pier in the future, I believe it will be indispensable to deal with some local people. There must be countless local snakes in this place, and you will have to Arrange some younger brothers here to help Ziva Hank solve some things that she is not good at. I will treat this business as a security business outsourced to you, and the profit margin should also be considerable. Then, from the masters of the Elms family, I will arrange one or two for you."

Don Albert quickly said, "Master Wade can rest assured, I will go all out to ensure the normal operation of the terminal!"

"Okay!" Charlie nodded with satisfaction, and said, "If that's the case, then you should take the time to plan when you go back, and consult with Ziva Hank to see what you need to prepare and do your homework in advance."

After speaking, Charlie looked at the time, stretched his waist, and said to Don Albert and Isaac Cameron: "Okay, let's be here today. You two have worked hard too. Two days later, it

will be the concert . These two God has worked so hard, you pay more attention to the situation in Aurous Hill, if there is any evil moth coming over, please tell me in time.”

Isaac Cameron hurriedly said: “Master, Fitz Banks from the Banks family has been busy with Ms. Sun’s concert recently. He is very courteous, and he specifically came to me to buy the biggest billboard here. , I ignored him. I think this guy might be planning to make some monsters on the day of the concert. Do you want to do it in advance?”

Charlie smiled slightly and said: “Fitz Banks must be interesting to Stefanie. As the so-called fair ladies and gentlemen are so charming, it is not wrong to like Stefanie. As long as you don’t pretend to be like Rishab, you don’t care about him. “

Isaac Cameron said earnestly: “Master, I think that Fitz Banks will definitely be a scourge in the future. Instead of letting him develop like this, it is better to start early to avoid future troubles.”

After speaking, Isaac Cameron suddenly remembered something and couldn’t help but said excitedly: “Master, or send him to Syria too, and be a company with him over there.”

Charlie smiled and said, “Are you addicted to sending someone to Syria?”

Isaac Cameron laughed and said, “It’s not true. The main reason is that the kid has impure motives for Miss sun and wants to get him to Syria once and for all.”

Charlie waved his hand: “I want to cooperate with Zara banks now. This cooperation hasn’t officially started yet, so I turned around and sent her brother to Syria. How can I cooperate in the future?”

Isaac Cameron said: “Master, you sent her dad to Syria, didn’t she say nothing?”

Charlie shook his head and said, “That’s different. Zara banks’s concept of right and wrong is also very strong. I sent her dad Zayne to Syria for several reasons that cannot be refuted.
