

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3106-3107

Zuri cautiously replied: "I really don't know about this. Stefanie Sun still has a job in Eastcliff, and she can't come here until after the work is over. Moreover, she usually travels by private jet, and the time is uncertain."

Fits nodded lightly and said with a smile: "If you need to pick up the phone, you can tell me in advance and I will pick her up at that time."

Zuri agreed and said, "I will pass it to Stefanie Sun later."

"Okay!" Fits smiled, and said deliberately: "That's right, I heard that Rishab came to Aurous Hill yesterday, and he was set up right after he got off the plane. Do you know who did it?"

Zuri said, "I really don't know this."

In fact, although Zuri did not know the details, he basically guessed that Charlie should have done this.

Therefore, she subconsciously looked at Fits again, feeling more or less sympathetic to him.

Zuri knew that Fits bothered so much to pursue Stefanie Sun.

But Zuri knew that there was no one in Stefanie Sun except Charlie. No matter how much Fits pleased Stefanie Sun, Stefanie Sun would never look at him more.

Therefore, she had known for a long time that no matter how hard Fits tried, the only thing waiting for him to end was failure. There was absolutely no second possibility.

While talking, Zuri suddenly received a push on his mobile phone.

She took out her mobile phone and read it. It was a piece of news. The headline on it read "Rishab Brokerage Company Announces an Announcement at 7:30 This Morning: Rishab has announced that he will completely withdraw from the entertainment industry and will soon go overseas for further studies!" »

Zuri suddenly exclaimed, and then hurriedly clicked to view the details.

Fits also hurried over to find out.

In the details of this report, Rishab's agency claimed that after careful consideration, Rishab believes that he is not suitable for staying in the entertainment industry, so he still hopes to focus on his studies and go abroad to study for a master's degree in business administration in order to succeed in the future. The family business was preparing for it, so it decided to leave the entertainment circle permanently.

Fits suddenly laughed when he saw this, and said: "I think Rishab's reading is fake, and it's true that he has no face to stay in the entertainment industry. The video of picking up the phone yesterday is still the top searched one. It's all on the Internet. It's an overwhelming ridicule, and if it's me, I will definitely have no face to stay in this circle anymore."

Zuri smiled politely and said nothing.

However, she was surprised at Charlie's methods in her heart.

Although the strength of Rishab's family is not as good as that of a top dude like Fits, it can also be regarded as the first echelon in China.

Even Fits, I'm afraid I wouldn't dare to give him such a cruel hand, but Charlie seems to ignore this at all. A rich second-generation star with a prosperous career, but when he first arrived in Aurous Hill, Charlie had a bright future. A pit was buried, this kind of cruel method has never been seen in this circle before.

...

The convoy drove to the entrance of Shangri-La, and Fits said to Zuri: you have already booked the room, right?"

"Yes." Zuri nodded: "It has been booked in advance."

Fits heaved a sigh of relief and said: "Then I won't send you in. Anyway, you have to go to the venue after you put your luggage. I will wait for you in the car. You will come out directly and I will send you to the venue. ."

Zuri didn't think too much, and said: "Then thank Master banks, I will let everyone as soon as possible."

After all, Zuri pushed the door and got off.

Fits also hurriedly got down, first helped Zuri take out the suitcase, took her and the others in to check in, and hurried back to the car again.

Fits sitting in the car was somewhat nervous.

He knew that his father, Zayne, had lived in Shangri-La quietly before and had disappeared until now, so he didn't want to step into Shangri-La as a last resort.

After Zuri finished the check-in procedure, he first brought his personal luggage and came to the reserved room.

She and Stefanie Sun have a very good personal relationship, so they plan to live in the same luxury suite this time, so that they can take care of each other when they are out for work.

After Zuri arrived in the room, she put down his luggage and sent a video call to Stefanie Sun.

The video was quickly connected, and Stefanie Sun on the other end of the phone was laying lazily on the bed and asked lazily: "have you arrived in Aurous Hill?"

Zuri replied: "I'm all at the hotel."

After that, I switched cameras to take a picture of the hotel environment.

Stefanie Sun hurriedly asked, "Have you seen Charlie?"

Zuri curled his lips: "Where can I meet him! But I saw Fits. He picked us up at the airport."

Stefanie Sun couldn't help frowning: "Why did he go?"

Zuri said: "No matter what you do, it must be that the drunkard is not interested in drinking, and he has been asking me when you will arrive. I guess he thinks of the time to pick you up at the airport."

Stefanie Sun blurted out: "I don't want him to pick you up! Charlie will pick me up at the airport at that time, this Fits don't come to mess with me! Otherwise I can't spare him!"

Zuri said helplessly: "Charlie, Charlie, you know your Charlie, and you don't know what is so fascinating about this guy who betrayed the marriage contract!"

Stefanie Sun hummed: "You're not me, can you know a shit! By the way, did you bring my baby safely?"

Zuri said perfunctorily: "Bring it! Here it is! La!"

After speaking, the camera pointed at the suitcase and said: "Hey, isn't that in the suitcase!"

Stefanie Sun couldn't wait to say: "Quickly open and let me check, there must be no mistakes!"
