

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3118-3119

When the mother and daughter were surprised, Charlie hurriedly spoke first: "Good morning, you two, please take care of me when we meet for the first time."

When Charlie met for the first time, Zara banks and Deana suddenly understood.

Charlie definitely didn't want the two of them to show the truth about acquaintance with him in front of his wife.

So, Deana hurriedly smiled and said: "You are really talented women."

Zara banks stood there silently, feeling a bit sour in her heart. At the same time, she couldn't help looking at Claire and compared herself with Claire in her heart.

Claire is naturally too beautiful, but Zara banks doesn't think she is much worse than her. If you count her background, she will definitely beat her more.

Claire didn't know what Zara banks was thinking. Seeing that Charlie had come down to greet Deana's mother and daughter, she looked at Charlie and said softly, "Husband, don't you have anything else? Go ahead, I have to go in and check the plan with Aunt."

Charlie nodded, and said smoothly: "Okay, then I won't delay your business."

After speaking, he looked at Deana and Zara banks, and smiled: "Aunt, Miss zara, goodbye."

Deana and Zara banks also politely bid farewell to him, and then watched Charlie drive away with Claire.

Seeing Charlie left, Claire said to Deana, "Aunt, let's go in."

"Okay." Deana smiled slightly, and walked into the courtyard of the old house with Claire.

As the three of them walked, Deana asked with interest: "Claire, how did you meet your husband?"

Claire smiled and said truthfully: "My husband and I were introduced to us by my grandfather."

"Introducing your grandfather?" Deana was very curious and couldn't help asking: "Then how did you get together?"

Claire said embarrassingly, "How can I tell you this... We were actually married at the request of my grandfather..."

Zara banks couldn't help but gossiping and asked: "Ah? Don't you guys fall in love together freely?"

Claire bit his lip and said truthfully: "Before we got married, we didn't know much about it..."

Zara banks was suddenly a little excited and blurted out: "Isn't that equivalent to an arranged marriage in a feudal society?"

Zara banks's words made Claire suddenly more embarrassed.

She stroked the hair between her temples, and said falteringly: "This...I don't know if it counts as an arranged marriage..."

Zara banks couldn't help saying: "Before you got married, you two didn't know each other. Naturally, there is no emotional foundation. At the same time, there is no emotional foundation, but at the same time, you married at the request of your grandfather. This is not a typical arrangement. Marriage? Just like the writer back then, he and his original wife, Ms. Zhu An, did not have any affection. They were married at the request of Mr. Lu Xun's mother."

With that said, Zara banks suddenly thought of something, and blurted out: "Mr. Lu Xun and Ms. Zhu An seem to have not been a husband and wife in their lives. Wouldn't you two be the same?!"

Facing Zara banks's straightforward words, Claire looked even more embarrassed, and said in embarrassment, "I...I...this...this..."

Claire's nervousness caused Zara banks's eyes to suddenly look happy.

She felt that she should have guessed right, so Claire had such an unnatural performance.

If you guessed it right, then Charlie and she are only in the name of husband and wife.

In that case, doesn't it mean that you have more opportunities?

Deana on the side also saw some clues from Claire's performance, and she also realized that this was an excellent situation for her daughter.

But at the same time, she was ashamed of her own thoughts, after all, this kind of thing was not glorious, and even a little despicable.

At this time, Zara banks hurriedly stepped forward, took Claire's arm and asked in a low voice, "Claire, how long have you been married to your husband?"

Claire said truthfully: "We have been married for four years."

"Four years?" Zara banks pretended to be surprised and asked: "Then can you tell me how you get along with your arranged marriages in four years? Is it as a friend as a guest or a person? Acting, the queen basically does not interfere with each other?"

Claire was even more embarrassed by Zara banks's question, for a moment he didn't know what to say.

But the more embarrassed she was, the more determined Zara banks's guess was, and his heart became more relaxed.

Deana on the side saw her blushing with Claire's question, and hurriedly said to Zara banks: "Zara, stop talking nonsense here, how can you gossip about other people's privacy?"

Zara banks also realized that it was indeed wrong for him to do this, and hurriedly said apologetically: "I'm sorry, Claire, I am too gossip."

Claire heaved a sigh of relief and said hurriedly, "It's okay, it's okay."

After that, I quickly took out the tablet from my bag, opened the sketch I designed, and said to Deana: "Aunt, let's talk about the plan!"
