

The Amazing Son In Law (Charlie Wade)

Chapter 3120-3121

Deana said: "Okay, it's still important to talk about business!"

Zara banks's heart was a little excited at this time.

For a long time, she felt that there were too many obstacles between herself and Charlie, and the possibility was very small.

Among them, the biggest obstacle is Charlie's wife, who is comparable to the insurmountable Mount Everest.

Secondly, there is Stefanie Sun who has a marriage contract with Charlie, and even Charlie may have more confidantes she doesn't know.

However, the discovery just now gave her a little more confidence deep in her heart.

Because the biggest obstacle does not seem to be as difficult to overcome as she imagined.

At this moment, she had a feeling of indifference.

So, while her mother was talking about plans with Claire, she hurriedly walked out of the old house and went to the yard. Then she took out her phone and sent Charlie a WeChat voice: I didn't expect you to be with your wife. It's an arranged marriage!"

On this side, Charlie left the old town and was driving to the airport.

On the way, he was still thinking about the meeting with Deana and Zara banks just now, and he couldn't help sighing inwardly: "In contrast, Aurous Hill is still small. If it continues to develop like this, the chances of meeting various acquaintances in Jilin will increase in the future. The more, and the more people who know their true identity, if things go on like this, sooner or later there will be times when the paper won't hold the fire."

In addition to feeling that Aurous Hill is a bit small, Charlie also felt that more and more people were pouring into Aurous Hill from all walks of life.

Zara banks is here, Ito Nanako is also here, and Stefanie Sun will be there soon.

I just don't know where these people will go after Stefanie Sun's concert.

Just when Charlie was full of emotion, he suddenly received Zara banks's WeChat. Upon a glance, he was shocked by the content of the WeChat.

He looked at the time, and he had just left for only five minutes. Why did Zara banks get these things out of Claire's mouth so quickly? !

He sighed at Zara banks's shrewdness, and at the same time replied to her with a voice message: "What's wrong with the arranged marriage? Although my wife and I are arranged marriages, we have a very good relationship."

Zara banks saw that Charlie replied a voice message, so he cautiously put the phone in his ear and listened to the message from Charlie.

Afterwards, she lowered her voice and replied: "My dear, don't lie to me. I guess you and your wife are not only arranged marriages, but you two have never been married, right?"

Charlie didn't expect Zara banks's eyes to be so poisonous, so he avoided talking and said, "There is no need to tell you everything about the matter between the two of us, right?"

Zara banks replied very earnestly: "Avoiding to talk about it is a manifestation of a guilty conscience. Moreover, if you two are in a good relationship and have a real husband and wife after marriage, then you will be married for four years and you will not have children, so I'm sure that you two are married!"

Charlie was very helpless at her guess, neither admitting nor refuting it, and said lightly: "How do you guess is your freedom."

Zara banks immediately accepted it and said, "My benefactor doesn't want me to guess, so I won't guess. My benefactor, don't be angry with me."

As she said, she did not wait for Charlie to express her position, and hurriedly said again: "By the way, I have an appointment. We will meet at Emgrand Group at 9:30 this morning to discuss the details of the follow-up cooperation. I don't know when the friend will arrive. Will it come?"

Charlie replied: "I have something to do today, so I won't go there, but I asked Don Albert to contact Ziva Hank. When you meet Ziva Hank, he should also pass by. I have promised to supply the cargo ships, and The security work of the terminal is entrusted to him, so he will also cooperate with you in the future. If you have any requirements or needs, you can directly mention it to him."

Zara banks said: "Good benefactor, I will discuss it in detail with Miss Ziva and Mr. Alburt."

As she said that, she suddenly remembered something and asked, "By the way, Blessed, are you going to pick up Stefanie Sun at the airport today?!"

When Charlie heard this, he couldn't help frowning and asked her, "Why do you say that?"

Zara banks said truthfully: "I know that Grace has a marriage contract with Stefanie Sun, and it is said that their family has not given up looking for Grace for so many years. Combined with her sudden selection of the first concert of the tour in Aurous Hill, it can basically be guessed. She must have done this with her benefactor. Since Miss sun has come from a long distance, as the host, it is reasonable for her to come to the airport to pick up the plane."

When Charlie heard this, he couldn't help sighing, this Zara banks is indeed very smart, even smart enough to make him involuntarily wary of her!
