

The Amazing Son In Law (Charlie Wade)

Chapter 3122-3123

When Charlie went to the airport, Fitz Banks had already learned the departure time of Stefanie Sun's private plane from his own channel.

It just so happened that the eyeliner he placed in the stadium told him that Stefanie Sun would not arrive at the stadium for rehearsal until more than one in the afternoon.

The two time points of departure time and rehearsal time were very consistent, giving him a full grasp of Stefanie Sun's itinerary.

He felt that since Stefanie Sun didn't land until after 12 o'clock and a little closer, then he didn't have to worry about going to the airport.

So he confessed to his subordinates, set off on time at 11:30, and set off to the airport to meet Stefanie Sun.

However, what he didn't know was that Stefanie Sun was already sitting on the plane heading to Aurous Hill.

Charlie arrived at the airport at 9:30 in the morning. When he arrived, Isaac Cameron had already arrived.

Under Isaac Cameron's leadership, Charlie drove the car into the airport and drove straight to the hangar.

In order to prevent Stefanie Sun's identity from being exposed, Isaac Cameron used his relationship to move all the staff and other aircraft out of the hangar that can accommodate four aircraft.

Make sure that before Stefanie Sun's plane stops, he and Charlie are the only two in the entire hangar.

Fifteen minutes later, Stefanie Sun's business jet landed at Aurous Hill Airport, and then followed the guided car and taxied all the way to the hangar.

As soon as the plane came in, Isaac Cameron took out a bunch of flowers from his car and handed them to Charlie, and said, "Master, these are the flowers you asked me to prepare."

Charlie asked in surprise: "When did I ask you to prepare flowers?"

Isaac Cameron hurriedly lowered his voice and said, "Master, Miss sun came from afar, if you are not even ready to put flowers, how can you make it?"

Charlie looked down at the handful of roses, and said embarrassingly, "Even if it's sending flowers, it's not appropriate to send roses, right?"

"Hurt!" Isaac Cameron waved his hand hurriedly: "Master, there is nothing inappropriate. If there are no flowers, it is really inappropriate."

As soon as Isaac Cameron finished speaking, the cabin door of the business jet in front of him slowly opened outward. The opened cabin door flipped to the ground and became a staircase. Stefanie Sun also ran down happily like a gust of wind.

"Charlie!"

Seeing Charlie, Stefanie Sun yelled sweetly all the way, then ran to Charlie, saw a bunch of flowers in his hand, and said excitedly: "Wow! Charlie, this The flowers are for me?"

Charlie looked at the flower in his hand, feeling helpless, but he could only nod and smile: "Yes, it's for you..."

"Great!" Stefanie Sun took the flowers happily, looked around, and saw that there were no outsiders except Isaac Cameron, so he immediately stood on tiptoe, kissed Charlie on the cheek, and said sweetly: "Thank you Charlie!"

At this time, Isaac Cameron hurriedly turned his head and walked aside with a smirk.

He knew very well in his heart that if the scene where Stefanie Sun kissed Charlie just now, if it were filmed and posted on the Internet, it would probably be the top headline and number one in hot searches for at least a week.

Unlike Rishab's enthusiasm that relies entirely on hype and money, Stefanie Sun's enthusiasm is completely real. In China, she is a national idol, the dream lover of all men, and her status is higher than that of Japan's national wife Yui Aragaki. Much.

On this side, Charlie pretended to touch his face indifferently, and said to Stefanie Sun: "Stefanie, you must be very hard to come here this way. I'd better send you to the hotel to rest first."

Stefanie Sun hurriedly took his arm and asked him, "Charlie, are you going to be okay later?"

Charlie shook his head: "It's nothing, what's the matter?"

Stefanie Sun said coquettishly: "Then you will have lunch with me in the hotel at noon?"

"Okay." Charlie agreed without thinking about it. He didn't plan to go home at noon anyway. It was the same wherever he ate.

So he took the initiative to open the door of the co-pilot and said: "Let's go, I'll take you to Shangri-La."

"Okay!" Stefanie Sun hurriedly sat in with the flowers.

Charlie greeted Isaac Cameron, and Isaac Cameron got into his car, drove the car ahead, and left the airport.

On the way, Charlie asked Stefanie Sun: "Stefanie, when will Uncle Orrin and Aunt Angie come over tomorrow?"

Stefanie Sun said: "They should also be this time tomorrow, or maybe a little later."

After speaking, Stefanie Sun said again: "By the way, Charlie, if you have nothing to do tomorrow morning, we can come to the airport to pick them up together!"

Charlie nodded and said, "Okay, you turn around and confirm the time with Uncle Orrin and Aunt Angie. We will meet you at the airport together at that time."

Stefanie Sun immediately took out her mobile phone and said with a smile: "Don't wait to turn around, I will send a video to my dad now."
