

The Amazing Son In Law (Charlie Wade)

Chapter 3130-3131

Therefore, he hurriedly asked someone to inquire about the relevant information of Aurous Hill Airport, but did not find that the airport had Stefanie Sun's entry registration information.

He instinctively thought that Stefanie Sun should have not arrived in Aurous Hill yet. Maybe he was delayed in Eastcliff due to some accident. Maybe he would change to another plane to come to Aurous Hill soon. So he quickly ordered his men to drive to Aurous Hill Airport. I waited and called my friends on the railway to ask them to help verify whether Stefanie Sun had purchased a high-speed rail ticket in the railway system.

In his view, from Eastcliff to Aurous Hill, Stefanie Sun could not have other choices other than flying and taking the high-speed rail. As long as he seizes these two channels, he will definitely be able to wait for Stefanie Sun.

As a result, what made him dream of was that he waited until nearly twelve o'clock, he still did not wait for Stefanie Sun to be there, and friends at the airport and railway did not make any progress.

This made Fitz Banks particularly puzzled. He felt that Stefanie Sun attached great importance to the performance. The performance officially began tomorrow. She must finish the rehearsal today. It shouldn't be a temporary absence at this time.

However, he has not been able to contact anyone at the moment, nor can he find any clues, which makes him a little anxious.

Seeing that the time is only two or three minutes away from 12 o'clock, after thinking about it, Fitz Banks decided to give up the plan to pick up the airport. First, he went back to the venue to have a look. In case Stefanie Sun went to the venue for rehearsal quietly and on time, he was still in the airport. Waiting to pick her up, that's a horrible story.

Wanting to understand this, he hurriedly led people to the Olympic Center.

Just when his car had entered the gate of the Olympic Center, Charlie drove Stefanie Sun to the VIP passage at the back door of the Olympic Center venue.

Zuri has arranged for staff to seal the entrances and exits in advance to prevent fans from getting in.

After Charlie stopped the car, Stefanie Sun said to Charlie, "Thank you, Charlie, for bringing me here. I'm leaving now!"

Charlie asked Stefanie Sun,, do you want me to accompany you to the rehearsal?"

Stefanie Sun hurriedly said: "No need! My rehearsal is confidential to you, and you can't tell you anything, otherwise there will be no surprises when the official performance tomorrow. Charlie, you should go to your own business! "

Charlie had no choice but to nod his head and said, "Okay, then I'll leave first, and call me if I have something to do."

Stefanie Sun said playfully: "Charlie, don't forget to pick up my parents tomorrow together!"

"Okay!" Charlie agreed, and said: "You go to work, I'm leaving."

"Goodbye Charlie!"

At the same time, Fitz Banks also drove into the VIP channel.

Since he himself is a partner of the organizer, he has been using the VIP channel these days, so the staff will let him go directly when they see his car.

As soon as Fitz Banks drove the car into the VIP aisle, he saw Stefanie Sun stepping out of the ordinary BMW 520 in front, and when he got down, he waved at the person in the cab with a happy face.

Fitz Banks couldn't see the appearance of the driver from behind, but through the rear glass, you could see the back of Charlie's head. Charlie had a short hairstyle. No matter who looked from behind, he could see that he was a man.

At this moment, Fitz Banks was furious, and gritted his teeth and cursed: "Damn! I waited for you for noon, but I didn't expect you to send another man over! The airport and the high-speed rail didn't have your information, you guys. But you have already arrived in Aurous Hill, it seems that you are deliberately avoiding me!"

Immediately, he carefully read Charlie's license plate number, took out his cell phone, and made a call.

"Hey! Help me look up a license plate information! I want all the information about the owner! Be fast!"
