

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3140-3141

“What? Eastcliff Banks Family?” Doris Young pretended to be surprised, and then said in a flattered tone: “Oh! I never dreamed that Young Master Banks would be able to see our Emgrand Group?! It’s really three. Fortunately, I don’t know when Young Master banks will have time? I will come to visit at any time!”

Fitz Banks and Fitz Banks’s assistant, who were sitting next to him, were very satisfied with the excitement that Doris Young showed, and Fitz Banks’s expression was slightly relieved.

Fitz Banks’s assistant said at this moment: “Our young master is now in Aurous Hill, so if You has no problem with you, our young master can go to meet you now.”

“That’s great!” Doris Young’s voice was very excited, and blurted out: “Then I will immediately discard all the arrangements for the afternoon and wait for Master Banks here!”

Fitz Banks’s assistant gave a hum, and asked tentatively: “By the way, our young master would like to meet your boss of Emgrand Group by the way. I wonder if he has time in the afternoon?”

Doris Young hurriedly said: “I’m really sorry, our boss has always been very low-key, and he is still a hand-off shopkeeper. Basically, he can’t come to the company two or three times a year, and he never participates in any business activities or meets anyone in the industry. Even me. I don’t know where he is, so please forgive me, Master banks.”

Fitz Banks’s assistant was also very helpless when he heard this, but fortunately, he could at least let the young master meet this Doris Young first, so he said: “Since your boss is not in the company, then wait until the opportunity arises. I will accompany you later. Our young master will come to your Emgrand Group first, and you will do the greeting and security work ahead of time.”

Doris Young said without hesitation: “Don’t worry, I will arrange the people under my hand to make preparations. When Master banks arrives, he can take the special elevator directly from the underground garage to the top floor!”

“Okay.” Fitz Banks’s assistant said: “In this case, we will be there in 20 minutes.”

After hanging up the phone, Fitz Banks’s assistant said to Fitz Banks: “Master, I will ask the bodyguard to prepare the vehicle, so don’t drive by yourself.”

Fitz Banks nodded. The reason why he drove by himself was to have a private space with Stefanie Sun, but he didn’t expect that the careful preparations ended up being nothing. It’s fucking mad when you think of it!

Fitz Banks’s bodyguards and subordinates quickly organized the convoy. Fitz Banks’s assistant personally opened the door for him and escorted him into the back row of another Rolls-Royce. The convoy immediately set off for the Emgrand Group.

However, Fitz Banks couldn't even dream of it. At this moment, Charlie was already in Doris Young's office, waiting for his self-investment.

And Doris Young stood in front of Charlie respectfully, and asked: "Master, Fitz Banks will be here soon, how should I respond?"

Charlie smiled slightly, pointed to the back door of Doris Young's office, and said, "When he comes, I will go to your lounge and rest for a while. You can talk to him first, and I will come out when the time is right."

Doris Young nodded, and couldn't help asking again: "Master, what do you plan to do with Fitz Banks? He is the Banks Family and grandson. If you want to attack him, the Banks Family will definitely not give up."

"Besides, he disappeared in the Emgrand Group. The Banks Family will definitely do everything possible to figure out all the circumstances of the Emgrand Group. Will your identity be exposed by then?"

Charlie smiled and said: "It's okay, don't worry about this, I have my own way!"
