

The Amazing Son In Law (Charlie Wade)

Chapter 3152-3153

Charlie nodded and asked with a smile: "Since you really want to cooperate with me, let your finances put a 10 billion cooperation deposit on the account of the Emgrand Group. If you can't get the money, you don't want to leave. Up.

Fitz Banks was startled immediately, and blurted out: "My dear...I...where will I go to get ten billion dollars in funds for a while!"

Charlie sneered and said: "What? Didn't you say that you want to cooperate with hundreds of billions of projects? You will have to do hundreds of billions of projects. There should always be 10 billion funds? If you even have 10 billion. If you can't get it out, then you still come over and say you want to cooperate with me. Doesn't this mean that you are here to entertain me on purpose?"

Fitz Banks panicked and explained: "No...it's not like that, I...I really want to cooperate...I really want to cooperate!"

Charlie nodded: "I really want to cooperate. Make a deposit first. When the money arrives, start cooperation immediately. Don't worry, I won't be greedy for a penny. I will sign a contract and write a paper for you when the money arrives to ensure your funds are safe."

At this time, Fitz Banks, seeing Charlie clutching 10 billion tightly and not letting go, his whole body was so nervous that he was sweating, and he dared not even look at Charlie.

In the Banks Family, how could he have the qualifications to mobilize 10 billion.

He really asked him to raise money right away. It is estimated that he can get one hundred million by any means possible. Ten billion is absolutely impossible.

Seeing that he was not talking, Charlie suddenly yelled, "Speak! Are you dumb?!"

Fitz Banks shuddered, and said quickly, "Benevolence, don't be angry... I am only here to discuss cooperation intentions on behalf of the Banks Family. Although I am the eldest son and grandson in the Banks Family, I can also come out to discuss cooperation on behalf of my grandfather. , But I really don't have the right to arbitrarily control the funds. For the specific allocation of funds during cooperation, my grandfather has to nod. As long as we reach a cooperation and my grandfather has no objections, the money will definitely be cashed out immediately..."

What Fitz Banks wanted was, no matter what, to escape today's level first.

Because he knows Charlie's horror very well, if he can't pass this level today, then he must be cold.

So he hurriedly promised Charlie: "But you don't think too much about it. You and the entire Banks Family really really want to cooperate with you and the Emgrand Group! I'm here this time. I want to seek cooperation, absolutely nothing else!"

Charlie smiled: "Since you said that you really want to cooperate, then I have a question for you."

Fitz Banks hurriedly said, please say..."

Charlie looked at him sweating profusely, and asked coldly: "What are you doing to investigate my license plate number?!"
