

The Amazing Son In Law (Charlie Wade)

Chapter 3158-3159

With that said, Charlie calculated for a moment, and said, "If you go to the southwest from Aurous Hill, it should be nearly 4,000 kilometers. If you knock your head in three steps, the speed will be a lot slower. If you walk for twelve hours a day, don't say too much. , It's okay to walk four kilometers. If you count it this way, you should be able to get there in three years.

"Ah?!" When Fitz Banks heard this, he almost couldn't help kneeling to fall to the ground.

He really hadn't dreamed that Charlie would punish himself in this way.

"Knock your head all the way from Aurous Hill to the Jokhang Temple?! And it will take three years to get there?!"

"Isn't this killing people?"

"I heard that Sam from the Confucian family of Estcliff used to ride 28 bicycles all the way from Yanjing to Aurous Hill. This has subverted my own perception. If I had to kowtow all the way to the southwestern border, wouldn't it be better than Sam? Hundreds of thousands of times worse?!"

Charlie looked at Fitz Banks and asked with a sneer: "What? You don't want to accept it? If you don't want to accept it, don't blame me for not giving you a chance to survive!"

Hearing this, Fitz Banks didn't even think about it, and quickly said: "I am willing, I am willing, I am absolutely willing!"

At this time, Fitz Banks had already thought out a response plan in his heart.

He murmured in his heart: "Now I have to agree to get out of here first!"

"As long as I escape, I will try my best to leave China as soon as possible!"

"At that time, the emperor is far away, even if you Charlie have the ability, it is impossible to punish me and find me all over the world, right?!"

Charlie seemed to have seen his plan a long time ago, he smiled slightly and said: "Since you have agreed, there is no chance to go back."

"Don't regret it! I will never regret it!" Fitz Banks repeatedly expressed his stance, just thinking of getting out quickly.

At this moment, Charlie stood up and tapped the top of Fitz Banks's brain lightly with his finger, and a trace of aura poured into Fitz Banks's brain from his fingertips.

Immediately, Charlie spoke in an unquestionable tone, and said, "Fitz Banks, remember, you will go home after you leave here, lock yourself in the room, don't go out, and don't talk to anyone, others. Ask you, you just say you want to be alone."

"At nine o'clock in the evening, you will come out of the room again, gather your family, and connect with your grandfather through the video, tell them that after careful consideration, you feel that your father and grandfather are sinful people, so Decided to start at 7 o'clock tomorrow morning and kowtow all the way to the Jokhang Temple to repay the sins of the Banks Family. If Lord Banks dares to stop you and threaten you, you will count his crimes. Call him bloody!"

"In addition, before you confess to your family tonight, you have to record a video. After you finish talking to your family, you will immediately post it on the short video platform to tell the people of the whole country about your decision. If someone stops you at that time, You will be forced to death."

"However, I am not that unreasonable and unsympathetic person. Considering your poor physical fitness, I allow you to bring a few more followers along the way, and even a private doctor, so that they can protect your life along the way. It's safe, but you have to remember that the road, you still have to go step by step, and you have to knock yourself one by one!"

"On this road, you only need to make atonement sincerely. After you arrive at the Jokhang Temple, you can go back to Aurous Hill and come to the Emgrand Group to find me, do you understand?"

At this time, Fitz Banks's whole person seemed a little sluggish for an instant, and his eyes looked a little hollow, but his tone became very firm and said: "You can rest assured, I understand!"
