

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3168-3169

After Fitz Banks said the four characters "I have decided", he immediately turned around and returned to his room.

After returning to the room, he posted the video he had recorded in advance to the short video platform.

Afterwards, he called his men again and arranged to follow him to go to the men of Jokhang Temple tomorrow morning.

His men were shocked by his decision, and they really didn't want to follow him on this trip.

However, although Fitz Banks didn't have a lot of money, he still had no problem with spending tens of millions to gather these little brothers.

Therefore, this group of people began to prepare for him to travel early tomorrow morning under the temptation of money.

Outside, Zara banks and Deana were a little at a loss.

Deana asked Zara banks: "Zara, what happened to your brother? How could he suddenly make such a decision?"

Zara banks said with a stern face: "I really can't figure it out... My brother has always liked Stefanie Sun. He put a lot of effort into Stefanie Sun's concert, but tomorrow night is the time for Stefanie Sun's concert. Saying that it is absolutely impossible for him to choose to leave Aurous Hill at this time. Doesn't this mean that all previous efforts have been wiped out?"

"Yeah..." Deana said with a worried expression: "Your brother is in the same state as he has been attacked by an evil spirit. I wonder if he has been stimulated?"

Zara banks shook his head and said seriously: "I went to meet with Charlie's Ziva Hank today. I don't know how he is today. Why don't I ask someone to ask."

Deana agreed and said: "You must first inquire about your brother's activity route today, and then see who he has met and where he went, and then filter out valuable clues from it."

Zara banks nodded and said, "Okay mom, I know it in my heart, don't worry."

At this moment, Fitz Banks's short video also became popular on the platform.

These things that happened in the Banks Family during this period have long been regarded by the people of the whole country as a kind of pastime and talk. Until some time ago, when Zara banks held a press conference online, the people of the whole country were still paying close attention to the Banks Family. Every step of the way.

Originally thought that Zara banks never mentioned the attitude of making Lord Banks responsible for his actions at the press conference, which represented Zara banks's compromise and also represented the end of this rich family's grievance.

However, what everyone did not expect was that there is a new sequel to this incident today!

Fitz Banks, the eldest son of the Banks Family, suddenly jumped out at this moment and accused the Banks Family. He also said that he would kowtow to the Jokhang Temple in order to make atonement for the Banks Family. In the eyes of the majority of netizens, this is really true. It's interesting.

Therefore, this video caused a lot of waves in an instant, and even rushed into the hot search list of Weibo.

At this moment, Lord banks had been sent to the best hospital in Southaven for emergency treatment because of a sudden faint. The children of the Banks Family rushed to the hospital while sitting in the car and watching Fitz Banks's video yelling at him. It's a damn traitor.

But Charlie, the initiator of all this, drove the car leisurely at this time and took his wife Claire back home.

As soon as Charlie parked the car, and walked into the house hand in hand with his wife, the phone in his pocket vibrated.

After entering the house, when Claire went to wash his hands, Charlie took out his phone and glanced at it. It was a WeChat.

When I clicked it again, it turned out to be from Zara banks.

The content reads: "Benevolence, my brother went to the Emgrand Group today, did he go to see you?"

Charlie frowned slightly.

Zara banks found herself here so soon?

In this way, this girl must have connected her brother's affairs with herself in her heart.
