

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3176-3177

Stefanie Sun didn't know that Charlie punished Fitz Banks mainly because Fitz Banks wanted to investigate Claire's BMW.

In her opinion, the reason why Charlie punished Fitz Banks was because of her beloved Charlie, he must still attach great importance to her deep in his heart, and even had protected her as a private property, so naturally he did not want to let fits Not come to get involved.

Originally, Stefanie Sun was a very independent young woman, and she had always scorned the machismo that women are accessories of men.

However, since the reunion between her and Charlie, the big woman thinking in her heart suddenly disappeared.

Her biggest wish right now is to be able to stand by Charlie's side, being collected, cared for, and even occupied by him like a precious private item.

Therefore, even though she felt deep in her heart that Charlie had been a little bit heavier in punishing Fitz Banks for herself, but her heart was still full of a different kind of happiness.

So, she replied with shame: "Fortunately, I have decided to quit the entertainment circle after this concert. Otherwise, I don't know how many people will be taken to the southwest by Charlie for a pilgrimage..."

Charlie smiled and said, "Isn't there anyone like Fitz Banks to harass you when you leave the entertainment industry?"

Stefanie Sun said earnestly: "After I quit the entertainment industry, I will be ready to take over from my dad. When that happens, I will be a lady at home every day, and I will devote myself to my career when I go out."

After that, Stefanie Sun said again: "But if you can get married sooner, it doesn't matter if you take over your dad's shift later. If your hard-working dad retire later, I will give you two or three children and give birth to two or three children. Anyway, my father is in very good health now, and I don't think it will matter if he has been working for another ten years!"

Charlie was a little embarrassed when he heard Stefanie Sun say that he was going to give birth to two or three children very frankly, so he simply changed the subject and asked her, "By the way, when will Uncle and Aunt arrive tomorrow?"

Stefanie Sun replied: "They should be around eleven o'clock."

"Okay." Charlie said: "Then tomorrow at nine o'clock, I will pick you up at the hotel, and then we will go to the airport together."

Stefanie Sun immediately replied excitedly: "Okay! Then I'll wait for you in the hotel!"

Charlie ended the conversation with Stefanie Sun. When he put away his mobile phone and walked back to the villa, his wife Claire was chatting with his father-in-law and his mother-in-law on the sofa.

Seeing Charlie coming in, she hurriedly asked: "My husband, tomorrow is your birthday. I just discussed it with my parents. I will come back early tomorrow afternoon and make a big meal with my parents at home. We are a family of four. Celebrate your birthday at home, okay?"

Charlie smiled and said: "It's okay, just eat something casually, don't be so troublesome."

"How do you do that?" Claire said earnestly: "This is your first birthday after moving to a new house. It must be a little grander by then!"

Mother-in-law Elaine also hurriedly said: "Yes, good son-in-law, you are the pillar of our family, you are celebrating your birthday, we must be more grandiose!"

Jacob said with some shame: "Charlie, you and Clare have been married for four years. In these four years, your mother and I haven't given you a birthday. I'm really ashamed!"

"Yeah!" Elaine also hurriedly said: "Because I haven't given you a birthday before, I just wanted to give it to you this time. Mom originally suggested going out to eat, so I went directly to the best one in Aurous Hill. Big Hotel, but at first I said that it's more meaningful to celebrate your birthday at home. I think it's the same. Birthdays are definitely the most warmth at home. So tomorrow, the three of us will give you a good birthday banquet. I will give you a warm and unforgettable birthday!"

Charlie couldn't help but feel a little moved when he heard this.

It's not because of Elaine's attitude. After all, she's such a clumsy, she always recognizes money but doesn't recognize people.

What really moved Charlie was Claire's intentions.

Celebrating a birthday at home is definitely harder than going to a restaurant to eat ready-made food. Wife can have this kind of heart, which proves that she really likes her birthday.

Moreover, in the past few years, when he had nothing to do with himself and was very unwelcome at home, Claire would also remember his birthday, and would always quietly buy a cake and drag himself out to find a family that can afford it. In the restaurant, two people eat a meal quietly.

Thinking back to this, Charlie was grateful for Claire's persistence over the past few years.

At this time, Claire said to Charlie: "My husband, tomorrow I have to go to the old town. I will go to the construction site of the Emgrand Group at noon. In the afternoon, I will be back early. I will be back at about four o'clock to start preparations. For dinner, you will eat less at noon tomorrow and save your stomach for a big meal at night. Let's start early in the evening. After your birthday, we will go to see Stefanie Sun's concert!"
