

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3190-3191

Angie on the side also smiled and said: "Yes, Charlie, your Uncle Orrin (Sun) has been looking forward to celebrating your birthday this year, and you don't know how long he has been talking about it. You don't know how excited he is along the way."

Stefanie Sun asked hurriedly, "Dad, where did I ask you to bring the birthday cake for me? Did you bring it here?"

Orrin Sun smiled and said: "Of course I brought it here! Can I forget what my baby girl has ordered? The cake is in the cargo compartment of the plane, and I asked the crew to strictly follow the requirements of the cake maker. The temperature of the warehouse is controlled at zero degrees, and the packing boxes are all reinforced, so there will be absolutely no problems, and the staff will be unloaded and sent to the hotel soon!"

"That's good!" Stefanie Sun breathed a sigh of relief, looked at Charlie, and said with a grin: "Charlie, the cake I ordered this time is very good. You will love it after you see it!"

Charlie smiled and said, ", then I would like to thank you in advance."

Stefanie Sun replied shyly: "What are you doing so politely with me..."

Charlie smiled slightly and said to Orrin Sun and his wife: "Uncle Orrin (Sun) and Aunt , let's set off to the hotel now, I have already arranged them over there."

"Okay!" Orrin Sun nodded, and then told the staff around him: "You take the cake off and take it to the restaurant. Be careful and don't make any mistakes."

Several staff members hurriedly nodded and said: "Don't worry, Mr. Sun, we must deliver the cake intact."

Orrin Sun nodded slightly in satisfaction, and said to Charlie and Stefanie Sun: "Then let's go!"

Stefanie Sun couldn't help asking: "Dad! You came so far to celebrate Charlie's birthday. Didn't you prepare any birthday present for Charlie?"

Orrin Sun blurted out: "Of course I'm prepared, do you think your father looks like the kind of person who can play karate?"

Stefanie Sun asked in astonishment: "Why didn't I see you preparing a gift? You asked to send the cake to the restaurant, and didn't say there are other gifts to be given together! Could it be that you really didn't prepare?"

Charlie hurriedly said, "Stefanie, don't talk nonsense, how can my elder Uncle Orrin (Sun) give me gifts on my birthday..."

Orrin Sun laughed and said, "Charlie, as an elder, it is of course reasonable for me to give birthday gifts to younger generations, and I am right."

Angie smiled and said, "Orrin, did you see that, your girl started to turn her elbows outside before she got married, and she's starting to pick your reasoning!"

Stefanie Sun stuck her tongue out: "Mom, I turned my elbow on Charlie, how can I be called to turn aside?"

Orrin Sun smiled and shook his head, and said to Stefanie Sun: "It's the first time to celebrate Charlie's birthday after nearly 20 years. How can I, an uncle, play 'karate'?"

As he said, he pointed to the plane behind him and smiled: "Hey, this is the birthday gift I prepared for Charlie! This plane was just produced from the Boeing production line in Seattle, USA at the beginning of the year. Last year, I already had it. The trust relationship has been stepped up to customize, and the modifications inside are all done in accordance with the top modification plan. From now on, it will be Charlie's private jet!"

When Charlie heard this, he was shocked and hurriedly said: "Uncle Orrin (Sun), this gift is too expensive, I can't accept it..."

Orrin Sun said with a blank face, and said: "You can't accept it, anyway, I have someone drive it over. If you don't want to accept it, then throw it here."

Angie next to him hurriedly said: "Charlie, this is the heart of your Uncle Orrin (Sun), and it's not too expensive, so please feel free to accept it!"
