

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3208-3209

Charlie looked at the three people who were at least five or six years younger physically, mentally, and appearance, and he was particularly relieved.

After the death of his parents, he has been alone and has never experienced the feeling of having a family.

After marrying Claire, Charlie had a family, but the Wilson family treated him at that time, it was really much worse than outsiders.

Except for his wife Claire who regarded him as a family member, no one else had any. What should a family look like?

Even though his mother-in-law and old father-in-law have a very good attitude towards him, Charlie knew very well in his heart that he had exchanged all kinds of benefits and favors.

Compared with Orrin Sun's family, it was naturally ten worse. Thousands of miles.

After all, the feelings of Orrin Sun's family of three are from the bottom of the heart, without any interest elements, this is the real and pure family.

Seeing that the mental state of their family has been greatly improved, Charlie smiled slightly: "Uncle , Aunt , this glass of water just now should be able to maintain your current physical state for at least three to five years.

During this period of time, your body's resistance will surpass that of most people, and you will basically not get sick."

Speaking of this, Charlie added: "But you still have to pay attention to the combination of work and rest.

Don't let yourself become busier and more tired just because your body gets better."

A family of three nodded in unison. Angie wiped away the tears and said seriously: "Charlie, don't worry, aunt and your uncle , you will definitely put the combination of work and rest first in your work in the future. Otherwise, would you not disappoint you? This gift..."

Orrin Sun also sighed: "That's right, health is the most important thing!"

Charlie said with a gratified smile: "You two can have this recognition, then I'm so happy."

As he said, Don Albert knocked on the door and said, "Master Wade, Miss Sun's cake is ready, do you want to bring it in now?"

Charlie was about to speak, and Stefanie Sun hurriedly said, "Don't worry!"

After speaking, she hurriedly said to Charlie: "Charlie, wait for me, I will check if there is any problem with the cake!"

Later, she said to Orrin Sun: "Dad, you turn off the light first, and then turn it on after you finish blowing the candles!"

Orrin Sun hurriedly turned off the lights in the box, Stefanie Sun opened the door of the room a crack, and got out sideways mysteriously.

After a while, she gently opened the door, and saw she walked in with a food delivery truck.

On top of the dining truck, there was a large cake with five layers.

From the 1st to the 4th layer of this cake, 6 candles are inserted in each layer, and there are 3 candles in the top layer, a total of 27 candles.

What surprised Charlie was that on the top layer of the cake, two very very realistic dolls were made with fondant.

What surprised him even more was that the two puppets were a little boy and a little girl.

The boy was a little older, about five or six years old, and the girl was a little bit younger, about three or four years old.

The clothes of these two children are very chronological, at least 20 years away from now.

However, even though they were dressed 20 years ago, it can still be seen that the clothes on both of them are very elegant and meticulous.

The poses of these two people are also very interesting.

The boy stands in place, and the girl who is obviously shorter on the side is holding the boy's arm shyly.

Looking closely at the two people's expressions, they are also very vivid. The boy's expression at this time is somewhat dull.

Even a little at a loss, but the girl looked very happy,

laughing like a flower.

When Charlie looked at these two lovely dolls, he always had a feeling of déjà vu, but he couldn't remember exactly where he had seen it.

At this time, Stefanie Sun beside him looked at Charlie with a smile, and asked: "Charlie, do you see these two children familiar?"

Charlie nodded again and again, and said: "Familiar, and very familiar, but suddenly I can't remember where I have seen it."

Angie on the side said with a smile, "Silly boy, isn't this just you and Stefanie? This is when you two were young, and it's your 6th birthday!"
