

The Amazing Son In Law (Charlie Wade)

Chapter 3218-3219

Charlie didn't think about using the resources of grandpa and grandmother in his heart, but Angie's words were indeed completely out of kindness, so he knew that he would definitely not hurt the kindness of others.

So he also accepted it temporarily, and said, "Aunt, what you said is correct. I will also take this aspect into consideration and consider it seriously."

"That's good!" Angie breathed a sigh of relief, and said with a smile: "You are the grandson of the Wade family and the grandson of Anjia.

If you can inherit the Wade family completely in the future, and then integrate the resources of Anjia, all the domestic resources will be available in the future.

The big family will be eclipsed in front of you, coupled with your own outstanding ability, maybe a few years later, under your leadership, the Wade family will become the second Chinese family among the world's top."

Orrin Sun also said earnestly: "Although the sun family's strength is not yet at the top in the true sense, there is still the strength to add fire to Charlie, and it may help you stand higher and see farther by then! "

Charlie looked at the couple gratefully and said sincerely: "Uncle and Aunt , thank you for your expectations of me. In the future, I will do my best to not let you down."

Charlie said this from the bottom of his heart.

He hopes that in the future he will be able to climb to the highest point and see the mountains and small mountains.

It's just that he hopes to be able to climb up entirely on his own ability, rather than relying on both sides.

A meal goes on very smoothly and naturally in this kind of family atmosphere.

After the meal, Charlie used aura to dissipate all the alcohol in his body and determined that he would not have a half-cent relationship with drunk driving.

Then, he drove Stefanie Sun to the performance venue first, and then drove Orrin Sun and Angie to Shangri-La. .

The couple had a lot of things. They had a rest in the hotel this afternoon. After going to the venue to watch Stefanie Sun's concert in the evening,

they would fly back to Eastcliff overnight.

After Charlie heard about their plan, he said, "Uncle and Aunt, or you don't bother to go back tonight, just rest in Shangri-La for one night, and it won't affect anything if you come back tomorrow morning."

Orrin Sun shook his head and said with a smile: "There will be another meeting tomorrow morning. If we leave tomorrow, it will be too late."

Charlie said: "But with such a toss, the body may not be able to bear it."

Orrin Sun smiled and said, "It might have been a little overwhelming before, but now it will definitely not happen again."

"Yeah." Angie also nodded and smiled: "After taking Rejuvenating Pill, my body feels unstoppable strength."

Taking a night flight should have no effect. Uncle and I will return to Eastcliff tonight.

Take a good rest at home for 10,000, and go directly to the group meeting tomorrow, so that it will be much more calm than rushing back tomorrow morning."

When Charlie heard this, he stopped persuading him and said hurriedly, "I will send you to the airport that night."

"No need for Charlie." Angie said very seriously: "I heard from my wife that you are going to see her concert with your wife tonight."

When the concert is over, you must go home with your wife. It's late at night, and you can't let you leave her behind.

You can take her home with peace of mind after watching the show. Uncle and I can go to the airport by ourselves."

Orrin Sun also said: "Charlie, you don't have to worry about us tonight."

When you come back to the concert, if you see it in front of your wife, don't say hello to us, otherwise you won't be able to explain to her.

Tonight, we will each happily watch the performance, and then go home separately, when you return to Eastcliff to worship the ancestors, we will get together again!"

Charlie didn't expect Orrin Sun and his wife to think so for their own sake, and when they were moved, they couldn't help feeling a little guilty.

Regrettably, Orrin Sun and Angie gave themselves three years to settle their marriage with Claire, and after three years let Stefanie Sun marry him.

Although he was uncomfortable in front of them at the time, he had already made a decision in his heart and would not divorce Claire.

Therefore, facing their meticulous care, Charlie felt ashamed in his heart.

Therefore, he secretly decided in his heart that since the matter of marriage has not been able to make the sun family three people wish, he must compensate them in other ways in the future...
