

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3224-3225

When Harold Wilson heard what Mrs. Wilson said, he immediately became excited and said excitedly:

“Grandma! It would be great to be like what you said! I always think that Charlie bastard is going to thunder sooner or later.

It seems that this is the signal before the thunder!”

Mrs. Wilson’s expression became a little proud:

“Their family has been able to live so well over the past year, and it’s all relying on Charlie to slander and deceive!

In the past, many masters and metaphysic masters also used to get rid of rich people’s pockets.

Earn money, but no one has a good end! I think Charlie will be finished!”

Harold Wilson’s excited body was twitching a little,

and he said excitedly: “If Charlie is really thundered,

I think their family will soon follow suit! Maybe in a few days, then Mr. White will have to take back this villa!”

Christopher Wilson, lying on the side, said with excitement: “Oh, if it’s really like that, it’s really a feng shui turn!

It’s best for Charlie to hurry to the thunder, and then their family has nowhere to go and fall into the street.

When the time comes, Take a good look at the jokes of their family!”

Speaking of this, he couldn’t help but proudly said: “Thirty years in Hedong and 30 years in Hexi!

They must have never imagined that our family can survive from desperation. Now Wendy has the help of nobles and manages the biggest etiquette in Aurous Hill.

Company, we will definitely get better and better in the future!”

The old Lady Wilson hummed and said, “If we say that we are Wendy, that’s really good! Starting from scratch, you can make a etiquette company the first in the city.

Just this point, you don't know that it is better than your father. How many!"

With that said, the old Lady Wilson looked at the two and said angrily: "Speaking of which, your father and son are really a pair of iron wastes!

I asked you to clean up Elaine, but the two of you were beaten up and disabled.

, Now lying on the bed, let my old lady give you shit and pee! This is really unreasonable!"

As soon as these words came out, Christopher Wilson, Harold Wilson and his son looked at each other, and they could see the endless embarrassment in each other's eyes.

To say that this male member of the Wilson family really doesn't have much ability and ability.

Although Christopher Wilson is the eldest son, and has always been highly regarded by the old lady, this person is essentially a straw bag,

belonging to the kind of half-bottle dangling master.

As for Harold Wilson, the eldest son and grandson, even the mud can't help the wall. What can't be the standard, pretending to be the first.

The two of them have worked in the Wilson Group for so many years, and basically did not create any performance.

The foundation of the Wilson Group is that Father Wilson took the Wade family's severance pay and worked hard for half a lifetime to get started.

It kept shrinking until it went bankrupt and liquidated.

At this time, the old Lady Wilson saw that the father and son stopped talking, she shook her head helplessly, and sighed:

"I don't know what the nobleman Wendy is. Listening to her, the other party is still very capable.

That cheating company forced to come over from its original boss, so it was taken care of by Wendy!
