

The Amazing Son In Law (Charlie Wade)

Chapter 3226-3227

And her previous boss, not only did not dare to put a fart, but also willingly went to KTV to be the turtle father.

Now! Killing can still punish the heart, you just say how capable this man is!”

“Yeah!” Christopher Wilson couldn’t help sighing:

“I heard that Wendy’s previous boss was still a social man, and he was very clever.

I didn’t expect to be completely cleaned up after a few words.

The noble person who wants to come must know Aurous Hill.

One of the best people on the road, maybe it is the young master of any big family!”

The old Lady Wilson opened the mouth and said:

“It would be great if Wendy could get along with that noble person. What our family lacks most now is a good backer!”

Christopher Wilson nodded lightly, and said, “I see that every time Wendy mentions that noble person, her eyes are full of light.

Maybe she has already secretly promised that noble person.”

“Yeah.” The old Lady Wilson nodded and said: “I can see what you said, but Wendy has always been reluctant to reveal the identity of that nobleman.

My old lady can only be anxious.”

With that said, Wilson said again: “By the way, Christopher, you go back and chat with Wendy alone, and ask her how far she has progressed with the noble person.

If it is still unclear, let her speed up. Speed, it’s best to cook the uncooked rice as early as possible!”

Christopher Wilson said embarrassingly: “Mom, how can I talk to Wendy for this kind of thing, as if I was anxious to sell a girl.”

Old Wilson blurted out: “Only you can ask the most appropriate question. Because of affairs, Wendy has always had some opinions on me. I will ask her, she definitely can’t dig my heart.

Harold Wilson immediately volunteered and said: "Grandma, or I will talk to Wendy, there is no generation gap between the two of us, and communication is easier."

"Hurry up!" The old Lady Wilson gave him a white look and said, "You can't find anything inferior to you in the entire Wilson family because of your ability to express yourself!"

Harold Wilson suddenly said unconvinced: "Grandma! What do you mean by that? What's wrong with my expressive ability?"

I think I can speak very well!"

The old Lady Wilson said dissatisfied: "If you can really talk, she would have become the daughter-in-law of our Wilson family! If you had grasped in the first place, our family would not have fallen to where it is now!"

Speaking of this, the old Lady Wilson said angrily: "But Harold Wilson, you have no other abilities, and you are still very good at fanning the flames! If you weren't slandering Claire in my ears, I would not turn back and promise.

Claire's position as director is given to you!"

"Originally, Claire was a marionette. Except for asking her to divorce Charlie, she didn't listen.

She did everything else I asked her to do. It was because of you that time, this girl began to give birth to rebellious bones, even Seeing me down on the street is not moved!"

Speaking of this, she looked at Harold Wilson and said with dissatisfaction: "Harold Wilson, I can't bear to use these four words again, it's you!"

Harold Wilson didn't expect that grandma would scold him, she was speechless for a while, and she could only bow her head in shame.

Christopher Wilson hurriedly said at this time: "Mom, don't talk about Harold Wilson.

We had a miserable life some time ago, but to be honest, who hasn't encountered a bit of ups and downs in this life?

Look at Jacob and his family, a few years ago. It's not easy. Later, did this slowly get better? Wendy's career development is going smoothly.

If we can have a good harvest in love and career, maybe our family will rise again!

Hearing this, Lady Wilson couldn't help sighing: "Hey, I used to think that grandson is good, and grandson is her own.

Now look at it, granddaughter is much more reliable than grandson!"

After that, she sighed again: "I knew that Wendy had such a strong ability.

I should have handed the company to Wendy to take care of it more than a year ago. Maybe the Wilson Group would not go bankrupt. "
