

The Amazing Son In Law (Charlie Wade)

Chapter 3232-3233

Charlie really didn't expect that Wandy's confidence that the old Lady Wilson came to jostle with him turned out to be because of Wandy.

She certainly didn't know that the reason why Wandy was able to become the general manager of Etiquette Company from an oppressive courtesy lady was entirely because she was pitiful and gave her a chance.

Hearing this, he looked at Mrs. Wilson as if he was watching a stupid old monkey, and said jokingly: "Old lady, the most failure in your life is your short-sightedness.

As long as you can see the problem a little deeper, the Wilson family also It will not fall to where it is today."

Then, he said seriously: "If you still want to continue to make Tomson's first product,

then remember that you will not be in trouble with our well in the future, but if you can't do this, you may not have the chance in the future.

Continue to live here."

After saying this, Charlie was about to close the door, but he didn't expect that when Mrs. Wilson heard this, she was immediately anxious.

She hurriedly stepped forward, stood in the door, and blurted out, "Charlie! You dare to preach to me," What are you?! If it weren't for my dead old man who brought you back from the construction worker,

where would you like to beg for food now, dare you say that I'm short-sighted?! Do you think my Wilson family's previous foundations were blown by strong winds? ?"

Charlie shook his head and said, "I don't know if your Wilson family's foundation was caused by a strong wind, but you have been defeated now.

The Wilson Group should have been liquidated by bankruptcy long ago?

If I'm not mistaken If so, you should still owe a lot of money at the bank, otherwise your old villa will not be sealed by the bank.

Now you can temporarily live in this villa in Donald webbb, what else do you have? Wandy can make more money now.

I'm afraid you are still pulling plastic bags in the supermarket, right?"

The old Lady Wilson did not expect that Charlie would actually poke her sore spot every word.

The Wilson family's bankruptcy was the most unforgettable thing deep in her heart, and being forced to work in a supermarket was the most humiliating deep down in her heart. one thing.

Angrily, she repeatedly said: "Charlie! Don't be too proud of you! It won't be long before you will be thundered! Then I will wait to see your family's jokes!"

Charlie nodded and said with a smile: "Welcome, I'm afraid that your old man's body will not wait until the day when my thunderstorm occurs, and I won't be able to witness it with my own eyes. Isn't it a pity?"

Old Mrs. Wilson gritted her teeth and said sarcastically: "I think you will only be involved in this or two months!

When the time comes, when those rich people respond, not only will the money you swindled from them be returned, but also You are sent to prison and sentenced to life imprisonment!"

The old Lady Wilson was getting more and more angry, and she continued to curse as if she was on her head alone:

"At that time, Jacob and Elaine, as your accomplices, will certainly not end well!"

As she said, she gasped and said, "By the way, I almost forgot! And Claire!"

Charlie's eyes suddenly became cold, and he stared at her coldly: "Old lady, I just kept the last bit of patience to you because of Claire's face, but if you dare to speak rudely to her, don't blame me. No mercy!"

"Oh! Are you scared when I am an old woman? I've even squatted in prison, and I'm still afraid of you?!" Seeing that Charlie seemed to be very sensitive to mentioning Claire by herself,

the old Lady Wilson suddenly thought she had caught Charlie's pain, so her arrogance suddenly became more arrogant.

Just as she was about to take a good look at Charlie against Claire, she suddenly heard someone yelling: "Grandma! What are you doing here?!"

It was Wandy who spoke!
