

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3234-3235

Today is the weekend, Wandy originally didn't have to go to work at the company, but because there were more students in the training school, she went to focus on professional courses for a long time.

Thinking that today is Charlie's birthday, after she got off work, she went to the Hermès store and spent more than 8,000 yuan to buy a Hermès to bring to Charlie as a birthday present.

Although Wandy knew very well that with Charlie's current economic strength, an Hermes belt was really nothing in his eyes.

But for Wandy now, this is one of the few luxury goods she can afford.

After all, she is now earning money alone and eating for four, and her father and brother still need a lot of medical expenses, so she herself has been saving money, and finally managed to save more than 8,000 yuan.

After she asked the clerk to help wrap the belt in the store, she kept thinking about how to deliver the gift to Charlie on the way back.

After thinking about it, she planned to put the gift in the mailbox at the door of Charlie's house, and then send Charlie to WeChat and let Charlie come out and pick it up by herself.

She felt that this was relatively safe and would not be known to others, especially her sister Claire.

Moreover, if Charlie is unwilling to accept her own gift, it is impossible to have the opportunity to refuse it face to face, so she can somewhat leave some room for herself.

However, just as she was about to pass by the door of Charlie's house, she heard grandma's furious voice from a long distance away.

Upon closer inspection, her grandma actually blocked the door of Charlie's house and quarreled with Charlie!

This scared Wandy's soul by half!

So, she hurriedly rushed all the way to Charlie's door in high heels, grabbed the old Lady Wilson, and involuntarily pulled her and said, "Grandma, come home with me!"

After this time of training, Wandy can now be said to be very foresighted.

Seeing that the old lady came to trouble Charlie, she knew that the old lady must have caused a disaster.

At this time, she must not continue to be in Charlie. Talk to her at the door of the house, otherwise she will become emotional and excited, and she doesn't know what to say to irritate Charlie.

Therefore, the best way is to get rid of the old lady first, and then find a way to apologize to Charlie!

The old Lady Wilson didn't expect Wandy to come back at this time, and when she saw her, she pulled herself to leave, and said hurriedly: "Oh, Wandy, don't hold me,

I tell you, Charlie is about to thunder. What are you afraid of him? Maybe their family will ask us to take in in a few days!"

Wandy felt cold sweat on her back, blurted out and blamed: "Grandma, what are you talking about! Brother-in-law is so powerful,

how could it be a thunder! You hurry up and apologize to your brother-in-law, and after apologizing, let's go home quickly. !"

Old Lady Wilson raised her brows: "What?! Let me apologize to him? He is a liar who can only slander and deceive all the time,

and he deserves to let me apologize to him?! Humph! I tell you Wandy, you are just being deceived.

He was deceived by the illusion that he was responding before! You see that he is celebrating his birthday today, and he didn't even have a door-to-door gift. What does this mean?

It means he is no longer able to do it! Maybe he will be settled by someone else!

Wandy knew very well that Charlie's network in Aurous Hill was extremely strong. How could it be possible to say that a thunder is a thunder?

If Charlie really wants a thunderstorm, then Liu , the former boss of etiquette company, must come back to find himself and snatch the company back as soon as possible.

Therefore, there is no need to look at anything else, as long as Liu has not come to find himself, then Charlie is definitely unlikely to have a thunderstorm.

The only possibility is that my grandmother has caused a catastrophe again!
