

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3236-3237

Seeing her grandma's arrogant appearance, Wandy was frightened, and hurriedly said: "Grandma! How can you be so rude to brother-in-law! Hurry up and apologize to brother-in-law!"

The old Lady Wilson was stunned when she heard it, and she blurted out: "Wandy, are your brain flooded? Are our family less bullied by him?"

After that, the old lady reprimanded with indignation: "Don't forget! Your mother was sent to the black coal by him!"

"If he hadn't sent your mom to the black coal kiln, your dad and your mom wouldn't be where they are today!"

The shrew Elaine would have no chance to put a green hat on the balcony to humiliate your dad!"

"Also, you forgot, what happened to our wife when we were arrested in the detention center? Wasn't that all thanks to him?!"

"Now I finally have a chance to take revenge.

Not only did you not help me, but you turned your elbow away towards this bastard. You are going to piss me off, you!"

Wandy's expression suddenly became very ugly, she said very seriously: "Grandma! You are so old, why don't you have a correct view of right and wrong?"

You are right, my mother was indeed sent to the black coal mine by her brother-in-law. , But have you ever thought about why she was sent to the black coal pit by her brother-in-law?

If it weren't for her to work with that Helian, not to mention all of Elaine's money, but also to pit her brother-in-law's villa.

It is impossible to punish her like that!"

"There is also the incident when the two of us entered the detention center. In the final analysis, it was our own responsibility.

This villa was originally given to brother-in-law by Mr. White, but you wanted to occupy it. My brother ran over to the old butler of Mr. White at the time. We were not sentenced at the time. We were already gracious by brother-in-law!"

Old Mrs. Wilson was struck by thunder, standing in a daze.

She looked at Wandy, unable to say a word for a long time, and her whole body was already shaking violently because of anger.

After half a day, she pointed to Wandy and said in extreme pain: "Wandy, Wandy! What kind of fascination have you poured into Charlie?"

You have always hated him, why are you starting to talk to him now?"

Wandy looked at her and said without flinching: "Brother-in-law didn't give me any ecstasy, nor did I speak to her.

I just saw the truth of the matter clearly! There were so many mistakes in the past, and they were all our fault.

We Sorry and brother-in-law, we hurt and let them down again and again!"

"You...you fart!" The old Lady Wilson almost had a heart attack.

She tremblingly pointed at Wandy, and scolded: "You forgot how Charlie murdered our family?"

I ate that daffodil bag. The dumplings, we almost lost half our lives! Isn't this a bloody vengeance?!"

Wandy shook her head and blurted: "The daffodil is planted by her brother-in-law at home.

If you steal it as a leek and eat it, it is theft! Stealing other people's food and eating poisoning is completely on your own account.

What does it have to do with her brother-in-law? ?"

Old Mrs. Wilson blushed suddenly and her neck was thick, and she gritted her teeth and cursed: "You...you are going to piss me off you! If you continue to face Charlie, then I won't have your granddaughter!"

Not to be outdone, Wandy replied: "If you don't apologize to brother-in-law, then I won't have grandma!"

Old Mrs. Wilson was taken aback, crying and cried, "Wandy, are you crazy?! What is so good about this guy that makes you willing to turn your face with grandma for him?!"

Wandy's eyes were red, and she roared emotionally: "To be honest, I've had enough of you being arrogant to me!"

"It was you who made ruined, the Wilson family was completely bankrupt, and it was you who made me helpless to be a lady of etiquette to support my family!"

"I have suffered for more than a year, mostly because of you! Not only do you not repent, but now you want to force me to turn my face with my brother-in-law who is kind to me.

What do you say are you at peace with?!"
