

The Amazing Son In Law (Charlie Wade)

Chapter 3254-3255

Charlie said, "It's okay, I have a way to metabolize all the alcohol in a short time."

Claire smiled helplessly: "Just blow it up and metabolize the alcohol. You know that it takes more than ten hours to metabolize alcohol."

Drinking and not driving is a matter of principle. You can't just use it just because you drink well. Try it out."

Charlie can actually metabolize all the alcohol with aura, but he also knows that his wife won't believe in himself, since that's the case, he doesn't need to explain too much.

So he smiled and said: "It's still the wife who is right."

Drinking and not driving. Let's drink first. When we go to the concert, we will use our mobile phone to call for a car."

"It's pretty much the same!" Claire smiled: "It's okay if you don't drive today. Stefanie Sun's concert will have at least tens of thousands of people. By that time, the entire venue will definitely be very troublesome to park. We might as well take a taxi and wait for the concert to end. After that, I can walk back. From the stadium to our house, it would take me 30 to 40 minutes to walk back, just like a walk?"

Charlie nodded and smiled: "Okay, listen to you."

Jacob hurriedly said with a cheeky smile at this time: "Oh my son-in-law, when you go down and remember to get two bottles of good Moutai, I have been greedy for those Moutai for many days!"

Charlie smiled and said, "Okay, let's take the best Moutai!"

Elaine hurriedly said: "Charlie, we have hundreds of thousands of bottles of the best Moutai in our house. Drinking it to Jacob is too wasteful. Or you can take the best Moutai and drink it by yourself, and then just give him a bottle of the most. Second time."

Jacob immediately protested with depression: "Elaine, what do you mean by this? It's all stuff that enters the stomach. Whose stomach is not the stomach, and why is it wasteful to enter my stomach?"

Elaine curled his lips and said: "Go, go to the bathroom and take a good look in the mirror

Take a good look at your old face! Just like you, it's worth drinking hundreds of thousands of bottles of Maotai? How many do you drink?"

One hundred thousand Moutai, this news spreads, and the Moutai stock will immediately drop to a limit tomorrow morning!"

"You..." Jacob just waved his hand anxiously, jumped on the spot twice, and said angrily: "Your broken mouth is too bad! You are mad at me!"

Elaine said seriously: "I didn't hurt you. I'm telling the truth. People say that a good horse can be equipped with a saddle. At best, you are a donkey with a grind.

You can't even match a saddle. At best, you will put on a donkey cover. ! So don't drink such expensive Moutai, go to the supermarket at the door to buy a bottle of Erguotou for more than ten yuan, you are completely worthy of you!"

Jacob clutched his heart, and said to Charlie and Claire, "Have you seen it, today is Charlie's birthday, but your mother is going to make me mad!

Charlie's birthday will be my Jacob's death day. My son-in-law, I'm sorry, Dad added a block to you!"

Claire was helpless, and said: "Oh, mom, you can say a few words, you use a set of hundreds of thousands of skin care products, Dad didn't say anything? Why are you always nagging him?"

Jacob's eyes lit up and he blurted out excitedly: "Yeah! Elaine! You said my old face is not worth drinking hundreds of thousands of Moutai, then is your old face worthy of hundreds of thousands of skin care products? Don't you Forget, we are a couple! If you say that is half a catty to a couple, if I, Jacob, are the donkey of the lamo, then you Elaine is the mule of the camel, who is better than anyone else?"

Elaine felt extremely humiliated, and yelled in anger, "F*ck your mother's old mule! Just like yours is also worthy of comparison with your old lady?

Look at your old face, wrinkled like a Shar Pei, it looks like My mother is so tender, white and smooth? You still have the face to say you're half a catty to me?"

Jacob was angry, looked at Charlie annoyed, and blurted out: "Look, I said that the skin care products you gave her so expensive are a waste. It is better to put skin care products on a dog's face than to touch her face.

You should have listened to me in the first place, and just give her a fake, anyway, she can't see it at all in her old hat!"

As soon as Jacob finished saying this, he regretted it instantly.
