

The Amazing Son In Law (Charlie Wade)

Chapter 3268-3269

Charlie and Claire had just arrived in the first row and were about to go to the middle when they saw that the four people sitting in front of them were all their acquaintances.

Sitting closest to the entrance of the first row was Doris Young. Seeing that Charlie and Claire were coming, she stood up and said with a smile: "Master Wade, Mr. Wilson, you are here too!"

Claire said in surprise, "Oh, Doris Young, why have you come to see Stefanie Sun's concert?"

Doris Young smiled and said: "I have always been a loyal fan of Stefanie Sun. I can sing every song of her. This time she finally came to Aurous Hill to sing. How can I not come."

Claire nodded repeatedly and said with a smile: "I really didn't expect that you are so busy at work and still have time to chase stars."

Doris Young looked at Charlie and said with deep meaning: "Hum, me, it's also because the boss doesn't come here often, so occasionally, I can still be busy."

Claire didn't know that Doris Young's boss was actually his husband Charlie, and hurriedly said: "It's okay, Mr. Doris, even if your boss knows that you are watching the concert, you can't say anything about you.

After all, it's already time for rest. "

Doris Young smiled and said, "Maybe our boss is also a fan of Stefanie Sun, and he also came to watch the concert."

Claire thought that Doris Young was joking, so he followed her and said with a smile: "It doesn't matter if you come, everyone has their own hobbies, and no one has the right to interfere."

Charlie said at this time: "My wife, let's not stand here and chat. If someone comes in and out, it will be a hindrance to others, so let's go to our seat first!"

When Doris Young heard this, she hurriedly said, "Yes, Mr. Wilson, you and Master Wade should go in and sit down. Let's talk later when the concert is over."

"Okay!" Claire nodded and waved his hand: "Doris Young, then we'll pass first!"

"It is good!"

Charlie and Claire just passed by Doris Young, just after two or three seats, they heard a familiar voice: "Master Wade, you are here too!"

Charlie lowered his head and saw that sitting in front of him was Jasmine, who was dressed beautifully.

Just about to say hello, I suddenly saw a series of acquaintances.

Sitting next to Jasmine was the extremely soft Ito Nanako, and on the other side of Ito Nanako was the cute little pepper Aurora. What Charlie did not expect was that Dr. Simmons was sitting next to Aurora. The granddaughter of the old man, Xyla.

At this time, Aurora and Xyla both stood up and said with a little shyness and respect: "Master Wade, you are here!"

When the two of them finished speaking, Ito Nanako couldn't help but stand up and bow slightly, "Charlie!"

After so many big beauties greeted Charlie, not only did Charlie fail to respond, but even Claire on the side was confused.

In addition to Doris Young just now, she recognized two of these women. One of them was Jasmine, the eldest of the more family, and the other was Xyla, Dr. Simmons's granddaughter.

Long ago, her father Jacob was conspired by Jason Grant and had a car accident. He was declared paraplegic at the hospital. At that time, Dr. Simmons took Xyla to the hospital and cured Jacob with magical medicine.

The remaining Aurora and Ito Nanako were familiar to Claire, but he couldn't remember where they had met.

In fact, she had also seen the report of Aurora and Ito Nanako's match at the time, but the two girls on the field at the time were all dressed in professional fighting costumes and looked heroic, and Ito Nanako's long hair was also tied at the time. A neat ponytail, while Aurora has a crisp short and medium hair.
