Nanako Ito and Aurora looked at each other, and at the same time looked at Claire, and said with some respect: "Hello, Madam Wade!"

"I am Aurora."

"This is Ito Nanako, please take care of me!"

Charlie hurriedly introduced Claire: "Aurora is the daughter of Mr. Quinton, President Quinton. Mr. Quinton is our largest medicinal material supplier in Aurous Hill, and he has a close cooperation."

"Miss Ito is a well-known fighter in Japan. She and Aurora have played in Aurous Hill before, and the two became friends during the match."

Claire suddenly realized it, and blurted out: "Oh...I remember, Mr. Quinton is the rare fighting genius in our country that the media has always said before! When you say that, , I am also somewhat impressed. , It's just that their real person looks a little different from the news report..."

Aurora said with a smile: "My dad said that I don't look like a girl when I fight, so I try to make myself more feminine when I dress up in my daily life, so Madam Wade thinks that I might be a bit different from what I remembered. ."

Claire nodded and smiled: "I really didn't expect Miss Aurora to be a fan of Stefanie Sun, let alone Miss Ito like Stefanie Sun..."

Nanako Ito put her hands in front of her, bowed slightly, and said seriously: "Ms. Wade, Miss Sun is also very famous in Japan. Many of her albums are sold very well in Japan. Friends who like Miss Sun are around me. Many, I am her number one fan."

Claire didn't expect that the Japanese girl would bow and speak at every turn. She was a little awkward, and hurriedly bowed slightly in return, saying: "Miss Ito is indeed the number one fan when she comes to watch the concert so far."

Nanako Ito glanced at Charlie and couldn't help blushing, and said, "Actually...I am ashamed. I came to Aurous Hill this time to watch the concert only incidentally. In fact, there is a more important purpose."

Claire didn't know what Ito Nanako's purpose was. He thought that he was coming to Aurous Hill to do serious business, and then watched a concert by the way, so he politely said: "This is the best way. You can do many things in one trip. "

Charlie listened to Ito Nanako's deep connotation, feeling a little embarrassed in his heart, and thought to himself: "If they continue to talk like this, I don't know what else to conotate."

So, he hurriedly said to several people: "Everyone, you sit first, our seats are still in there, so we will be separated first!"
