

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3276-3277

When the couple were chatting, a figure walked up to them and sat down next to Claire.

Claire turned around and took a look, and suddenly exclaimed: "Oh! Miss banks!"

Charlie looked up and found out that it was Zara who was sitting next to Claire. Why did she also come?

Zara also seemed a little surprised to see the two. He smiled and said, "Oh, Miss wade and Mr. wade, I didn't expect you to come too!"

Claire smiled and said, "I have always liked Stefanie Sun. So I begged my husband to come and watch the show with me very early."

Then she hurriedly asked: "Miss Zara, why didn't Aunt come with you?"

Zara smiled and said playfully: "To be honest, my mother doesn't really like this kind of overly lively occasion. In fact, I didn't plan to come, but my brother left the ticket. He is Stefanie Sun. Fans of, but suddenly something couldn't come. I saw this ticket and it was really wasted, so I came over to take a look.

Claire smiled and said, "My husband doesn't seem to like this kind of occasion. He has never chased a star, and this time he was forced by me."

Zara couldn't help looking at Charlie, and said with a smile: "So Mr. Wade doesn't like Stefanie Sun?"

Charlie listened, his head grew big, and he thought to himself: "What happened to these women today? Speaking of words, one is more meaningful than the other, with various connotations..."

Thinking of this, he deliberately turned off the topic and asked Zara: "Hey, Miss banks, since your brother is a fan of Stefanie Sun, why is there something wrong with him? It seems that this fan fan is not enough. "

Zara quietly gave Charlie a blank look, and thought: "You badass, knowingly asking is not enough to describe you! Why didn't my brother come? Is there anyone in this world who knows better than you? He was happy early today. I walked with my long head rushing, and I can walk a few kilometers a day at most. I must have not left the Aurous Hill City area yet!"

So, she sighed: "Don't mention it, my brother met a bad guy, and was cleaned up by that bad guy. I'm afraid he won't be able to come back in the next few years."

When Claire heard this, he said in horror: "Miss banks, your brother was kidnapped?! Did you call the police?"

Zara chuckled and said, "It's not kidnapping, it's because my brother can't come back in a short time. But I'm willing to give in to the bet. I can't blame anyone else."

Claire was confused when he heard it, but when he thought that this was someone else's housework, he couldn't ask more carefully, so he nodded lightly and said, "I'm sorry, I was rash."

"It's okay." Zara waved his hand quickly and said, "This may not be a bad thing for him."

At this time, Orrin Sun and Angie were married. Walking hand in hand from Zara's side, Orrin Sun saw Charlie, and the two of them faced each other, nodding their heads at an invisible range from outsiders.

Angie also quietly waved her hand at Charlie, and then sat directly beside Zara.

And Orrin Sun sat down next to Angie.

The three did not say hello to each other. So Claire didn't pay much attention to these two people either.

However, when Zara saw that someone was coming, he glanced subconsciously, only to realize that it was Orrin Sun, the Patriarch of the sun family, and his wife Angie.

Zara was a little surprised at first, but soon recovered.

She is a wealthy Eastcliff family, so she knows more about the sun family, knowing that Orrin Sun and Angie are Stefanie Sun's parents. Since it was Stefanie Sun's concert, it was only natural that the two of them came to join in as parents.

However, she had some doubts in her heart. Whether it was Orrin Sun or Angie, Zara was often seen in various high society activities in Eastcliff before.

But in her impression. The couple did not look so young now.

Especially Angie, she gave birth to a child, not a few years younger than her mother, but her whole state does not seem to have a child at all. She always feels like she is only 3 years old, which is more than her own mother. Much younger.

And Orrin Sun is also very magical.

It has been said before that he was dying of advanced pancreatic cancer, but who would have thought that this person not only cured the terminal illness, but also looked better and better.

However, Zara was shocked and shocked, but also felt that since she saw it. And they were sitting next to each other, so they took the initiative to greet them and said, "Aunt, Uncle Sun, how are you!"

At first, Angie didn't pay attention to who was sitting next to her. She had been secretly observing Claire next to Charlie, wanting to see what magic the girl had.
