

The Amazing Son In Law (Charlie Wade)

Chapter 3278-3279

Charlie could be so spoiled, and suddenly she heard the girl between herself and Claire say hello to her, so she hurriedly looked at it, and found out that the one sitting next to her turned out to be Zara from the banks family.

She asked in surprise: "Zara? Why are you here?"

Orrin Sun was also very surprised. He didn't expect Zara from the Banks family to be there.

Zara stuck out his tongue and said in a somewhat embarrassing manner: "My brother left me a ticket before leaving, so I came over to join in the fun."

When Zara said so, Orrin Sun and Angie understood in an instant.

They all know the situation of the banks family, they know that Fitz suddenly decided to go to the Jokhang Temple yesterday to make atonement for his family, and they also know that Fitz had been pursuing his daughter before, so they knew why Zara was here. .

Angie was also a little embarrassed, and said: "Zara, I have also heard about your brother, Uncle Orrin (Sun), hey, we really didn't expect...How is your mother's health?"

Zara nodded, thinking that he was sitting next to Charlie's wife, and then thought that Angie, Orrin Sun and Charlie must have known each other a long time ago. I saw it with my son-in-law, so he hurriedly said: "Aunt Angie, my mother is in good health, thank you for your concern."

After finishing speaking, she leaned into Angie's ear and whispered: "Aunt Angie, I'm really sorry.

Charlie and his wife are sitting next to me, and his wife doesn't know his true identity, so a lot of words are too much on this occasion.

It's inconvenient to say, let's go back and talk in private."

Angie was surprised when she heard this.

She didn't know that Zara knew Charlie, and knew Charlie's true identity!

This made her wonder: "It stands to reason that Charlie's true identity has always been secret, and he can't publicize it everywhere, so how did Zara know about him?"

"Could it be that Charlie took the initiative to tell her? It is not reasonable! Charlie always felt that the banks family was unshirkable for the deaths of his parents. In this case, the banks family was his enemy, so how could he treat himself? Tell Zara's secret?"

Angie, who was surprised, couldn't help but whispered in Zara's ear: "Zara, how did you know Charlie?"

Zara didn't hide anything, and said frankly: "Charlie is my savior and my mother's savior. My brother and I were kidnapped in Japan before. Charlie saved us both. Some time ago My mother and I had an accident in the Aurous Hill Forbidden Mountain Tunnel, and Charlie also rescued us."

Angie suddenly realized!

"So that's it..."

She also wanted to understand now. Why did Zara know Charlie?

She sighed in her heart: "If Charlie only saved Zara, Zara would not know his identity, but if Charlie also rescued Deana. Then the situation is completely different. Charlie and his father have grown up. It's so like, Deana can't fail to recognize him. If this is the case, Zara knows Charlie's true identity, and it makes sense."

The situation of the banks family for several generations. Angie can be said to be very clear.

Zara's mother, Deana, had a good relationship with her back then.

Moreover, Deana always liked Bruce, and Bruce and Orrin Sun were good brothers, so when Angie was in love with Orrin Sun, Deana wanted to increase his pursuit of Wade through the relationship between Angie, Orrin Sun and Bruce.

So for a while, Deana and Angie got close.

It's just that no one thought that Deana had been chasing Bruce for so many years without results, but Bruce returned from a trip to the country and brought back an outstanding Ava (Charlie mom).

Since Bruce and Ava got married, Deana married Zayne with full regret.

As a woman, Angie actually sympathizes with Deana.

It's just that she knows very well in her heart that feelings are reluctant to come, and the other party is destined to not love you. No matter how much you invest, you can't gain.

Thinking of this, Angie couldn't help but feel that the good fortune of the world was tricking people.

I came to see my daughter's concert with my husband, next to me. Sitting are the daughter's fiance and his current wife.

And sandwiched between himself and Charlie's current wife is the daughter of Charlie's father, who has been admired for many years, and the family still has feuds with Charlie.

Even more amazing is that Charlie actually saved the enemy's son and daughter.

Even more amazing is that Charlie saved his enemy's daughter twice!

At the same time, Angie couldn't help but have a question in her heart: "This Zara, who has been rescued by Charlie twice, is now here again. This is definitely not a coincidence. Is it possible that she also has that kind of thought for Charlie?"

The more she thought about it, the more she felt that she guessed eight or nine.

She couldn't help but sighed in her heart: "What kind of fate is this in the end..."

Just as she was full of emotion, the lights of the entire stadium suddenly went out at this moment.
