

The Amazing Son In Law (Charlie Wade)

Chapter 3282-3283

After a brief silence, many girls whispered and sobbed.

Many girls are moved by this true story.

Who could have imagined that the famous Stefanie Sun, the idol of countless girls and the goddess of countless boys, turned out to be such an infatuated girl.

In the 25 years of his life, there have been nearly 20 years in search of his childhood prince charming!

For many girls, such infatuated stories may exist in fairy tales.

But all this happened to Stefanie Sun truly.

Charlie sat on the chair as if he had lost his soul, and his eyes were already filled with tears.

He really didn't expect that Stefanie Sun would put so much effort into finding herself.

Originally, he thought that this little girl who was two or three years younger than himself, said that he wanted to marry himself every day, but was brainwashed by the so-called marriage contract that year, but now he realized that, in fact, this matter had already happened. In Stefanie Sun's bones.

And Claire beside him was already moved by tears.

Charlie could feel that Claire at this time was grasping his arm tightly with both hands.

Zara, who has always been calm, was moved by Stefanie Sun's persistence over the years.

Moreover, she knew in her heart that the prince charming in this story was Charlie who she had a crush on for a long time.

As for Orrin Sun and Angie, both of them clasped their hands and cried silently.

For so many years, their family has paid a lot of effort to find Charlie.

Fortunately, they finally found Charlie's whereabouts!

And what makes them even more grateful is that because they have been looking for Charlie unremittingly, they have also planted a great destiny for themselves, so that the family regained a new life with the help of Charlie.

Otherwise, if Orrin Sun dies seriously ill, Angie and Stefanie Sun, the orphans and widows, will not be able to fight the other two brothers in the sun family.

It was also from Charlie that the family thoroughly understood a truth that had been passed down for hundreds of years, that is: "But do good things, don't ask about the future!"

Do good deeds wholeheartedly and without asking for rewards, without worrying about gains and losses, as long as you are worthy of your heart, you can have a clear conscience.

Even more opportunities can be reaped as a result.

Then, on the dark screen, a beautiful line of white handwritten pen characters lit up, and then Stefanie Sun's voice came from the speaker, and she said in person: "I thought I would never find you again in my life, but Unexpectedly, the surprise would come so unexpectedly and suddenly..."

Stefanie Sun's voice sounded, and the scene suddenly burst into thunderous applause!

The audience who was touched previously thought that Stefanie Sun had not found her prince charming yet.

But when they heard this sentence, they realized that Stefanie Sun had already found her Prince Charming!

The fairy tale story turned out to have the perfect ending of the fairy tale version. For a time, all fans fell into extreme enthusiasm.

And Claire choked with excitement: "It's so touching... I didn't expect it in my dreams. Such a story would happen in real life..."

Charlie choked silently.

At this moment, he only asked himself one question in his heart.

"How can I repay for so many years of dedication?"

Just as he asked himself, the lights on the stage suddenly lit up, and at the same time, the sound of music also rang.
