

The Amazing Son In Law (Charlie Wade)

Chapter 3312-3313

"And since I said I will wait for him for three years, I will definitely wait for him. I will definitely not cause him any trouble in advance, let alone put him in a dilemma."

Zuri took it, and arched his hands at Stefanie Sun. Admired: "I really convinced you! Really, I won't help if the wall falls, I will serve you! A typical dedication personality! If Charlie doesn't marry you home, he will regret it in the next life and the next! "

"Don't be poor." With her help, Stefanie Sun took off the wedding dress carefully, and said: "Zuri, my stage makeup hasn't taken off yet, so I have to go to the airport in a while, so I can't take this wedding dress slowly. You must help me to put it away properly, and then bring me back to Eastcliff intact, and I will wear it again when I get married in the future."

Zuri said helplessly: "I know, I know this is your baby, don't worry, I will help you properly collect it and bring it back to you intact!"

Stefanie Sun nodded. He smiled: "Hehe, thank you! You deserve to be my good sister! After I go back, please have a good meal!"

Zuri gave her a white look and muttered: "You also invite me to have a big meal. You announced that you are leaving the entertainment circle this time. My agent can also be laid off. When I go back, I have to prepare to be laid off and re-employed. Up."

Stefanie Sun hurriedly smiled and said: "Don't! We have more than ten or twenty concerts to be busy, waiting for your concert. When we are done, let me quit the entertainment circle first, but I still have to do something else. At that time, I will look back at the group and find a job, and you will be my assistant!"

When we are done, let me quit the entertainment circle first, but I still have to do something else. At that time, I will look back at the group and find a job, you come to me as an assistant! I will give you double annual salary!"

Zuri was happy in his heart, but he still snorted, and said, "It's okay to be an assistant. After all, we are also graduated from a prestigious university with a major in economics and management. It is more than enough to be an assistant for you, but this double annual salary

is enough. Sister zuri is not a person short of money. The reason why she has to rely on you is because she has a good relationship with you and is comfortable doing things with you even if she doesn't make money."

Stefanie Sun took Zuri's arm and said with a smile: "Oh, sister, let's finally tell the truth today. It seems that Stefanie Sun has a strong personality and can keep a talent like you by my side to do my best. Hahaha,

"I'm pooh!" Zuri curled his lips and said, "Don't be too poor here, don't you want to catch a plane? Go and take off your makeup quickly."

Just as he was talking, there was a knock on the door. Stefanie Sun's mother, Angie, asked softly outside the door: "Stefanie, can mother come in?"
