

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3314-3315

Stefanie Sun heard her mother's voice outside the door and hurriedly said: "Mom, I am removing my makeup and changing clothes. Are you yourself?"

Angie hurriedly responded: "Mom is herself."

Stefanie Sun said to Zuri, "Zuri, go and open the door for my mother."

"Okay." Zuri agreed and quickly opened the door.

After the door opened, Angie looked at Zuri and said with a smile: "Zuri, this time has really been hard for you."

Zuri hurriedly waved his hand and said, "Aunt , this is my job and it is not hard at all."

After speaking, she said with a shocked face: "Auntie , why do you look a lot younger today? Can you teach me the secret of beauty? I feel that if I don't control it anymore, I will wait. In two years, I may look older than you..."

Angie smiled and said: "Auntie has some relatively niche skin care products, and the effect is really good. I have been using them all the time. When I return to Eastcliff, I will ask you to give you a set, or you can come to the house directly. take."

Angie knew that she naturally couldn't tell Zuri about the Pill.

Moreover, even if she told her, it would be difficult for her to get it. Instead, it caused Charlie trouble, so she used skin care products to cover the past.

Zuri has always had a strong relationship with Stefanie Sun, so he is very familiar with Angie. Hearing this, he smiled and said, "Then I will thank you in advance, Aunt !"

Angie smiled and said, "What is there to be polite with you and aunt? Your aunt will provide you with skin care products in the future, and I will regularly ask the group driver to deliver it to you.

"Huh?" Zuri was flattered and said with some sincere trepidation: "Aunt , there is no need for such trouble. If you use it well, I can buy it myself later."

Angie smiled and said, "You and your auntie still see each other like this? This is all set, and if you shirk, you can treat your aunt as an outsider."

When Zuri heard this, he nodded and said, "Thank you Aunt , then I will be disrespectful!"

Angie nodded, and then said to Stefanie Sun: your dad and I are going to the airport. Your dad thinks you are too hard today. Let me tell you, take a good rest in the hotel at night, don't spend the night Go with us again."

"Don't damn it." Stefanie Sun said hurriedly: "I'm going to go back with you after removing my makeup. I am not tired at all and don't need much rest. Moreover, it doesn't make much sense for me to stay for one night. Why not go back with you, then I can have a good night's sleep at home."

Angie reached out and touched her face, and gently asked, "You confessed so affectionately at your concert today, don't you want to see Charlie's reaction in person? Stay one more night, and maybe you can talk to Chen tomorrow See you."

"No, it can't be done." Stefanie Sun said with a smile: "I made such a big move and didn't say hello to Charlie in advance. I was afraid that I would scare Charlie, so I'd better go back first. See him later."

Angie shook her head helplessly and smiled: "You girl, you dare to do such a earth-shattering thing. Are you afraid that you don't know how to face Charlie after you finish it?"

Stefanie Sun said diligently, "Oh, mom, you know that I actually have the thinnest skin. I was nervous about doing this for many days. Now my back is still sweaty. The thing I don't want to see is Charlie. Let me go home to avoid the wind..."

"This kid..." Angie smiled helplessly: "Well, let's take the time to remove your makeup and change into comfortable clothes. I'll talk to your dad and we will wait for you a while."

"Thank you mom!" Stefanie Sun smiled happily and kissed Angie's face.

...

Ten minutes later, Stefanie Sun, who changed into everyday clothes, got in the car with her parents and headed to the airport.

Along the way, Stefanie Sun has been chatting with her mother Angie.

As a woman, Angie has many questions to ask her, but her first question is: when did the wedding dress you wear tonight be ordered with us?"
