

# The Amazing Son In Law ( Charlie Wade )

## Chapter 3318-3319

When Stefanie Sun heard this, her whole body suddenly became nervous, and she blurted out: "Dad! I...I'm not causing trouble to Charlie, right?!"

Angie said at this moment: "I think AnJia knows that Charlie is still alive. It shouldn't be a bad thing. Charlie's grandparents are still alive, and they are also in charge of An Jia. If they know that Charlie is still alive, they will only be happy. There will never be any threat to Charlie, maybe after they met Charlie, they could bring more resources and opportunities to Charlie."

As he said, Angie said again: "Take ten thousand steps back. Even if the An family has no affection for Charlie, but after all, there is blood family affection, at best, they don't bother each other. They definitely can't take the initiative to trouble Charlie."

Orrin Sun thought for a while. He heaved a sigh of relief, nodded and said, "That's true, Charlie threat is the Banks Family, but the Banks Family is obviously no longer his opponent."

Angie asked hurriedly: "Then you said, if the murderer who killed Big Brother bruse and Sister Ava knew that Charlie was still alive, would he have done something to him?"

Orrin Sun shook his head: "It shouldn't be. If they wanted Charlie's life, they were in Aurous Hill. They would kill Charlie together. After all, even Big Brother could not get rid of their poisonous hands. If they wanted to kill Charlie, how could Charlie be spared."

Angie nodded slightly, and Stefanie Sun on the side breathed a sigh of relief. While touching her heart, she said in fear, "I'm really worried about causing any trouble to Charlie... After all, I didn't tell him in advance. discuss....."

Orrin Sun smiled slightly and said, "It's actually okay. The Wade Family, Anjia, and Eastcliff are the big families who know your marriage contract. Even if you didn't say this at the concert, the Wade Family knew already. The matter is about, Zara and Deana of the Banks Family must also know about it. As for the remaining two or three families, even if they know it now, it's not a big deal."

"Yes." Angie said: "Even if they know that Charlie is still alive, they also know who Charlie is, and it won't matter if they want to come."

"That's good." Stefanie Sun sighed: "Dad suddenly said something bad just now. I thought I was in a big disaster..."

Angie touched her hand and said with a smile: "Don't have such a big psychological burden. This is a good thing."

Then, she said: "Since kagura and your Aunt An. and Charlie's grandmother have a good relationship, you can take the initiative to visit her when you go to the United States for a while, if she knows that you are singing today. We must know that we have found Charlie."

Maybe she will tell Charlie's grandmother about this matter. Then you will visit Kagura again, maybe you can meet the An family.

"Meet the An family?" Stefanie Sun asked hurriedly, "If Charlie knew, would he be angry with me?"

Angie said earnestly: "So you have to get a handle on it. If you go to the United States, you can only visit Wang Weiwei. As for whether the An family sees you or not. It depends on whether Kagura will pass this information to you. If Kagura tells this matter after that, when the An's family saw you, they took the initiative to see you, not because you took the initiative to see them."

Stefanie Sun asked puzzledly: "But what am I going to do to see the An family..."

Angie said: "Naturally, it is to help Charlie and Anjia match up. If Charlie can get Anjia's help, the future development will inevitably get a huge boost, which will get twice the result with half the effort. If Charlie's temperament is not willing to contact Anjia directly, you will Anjia is on the line, and it can be regarded as helping Charlie and Anjia establish a bond. This is only good for Charlie, but not harmful."

Orrin Sun on the side agreed very much and said, your mother is right. Although Charlie and An's family are related by blood, they haven't had
