circle, it is likely to be He will be blocked by this circle, and maybe even targeted by Other circle, so Your husband is still riding a tiger, and it is impossible to cut off all business in this area.”

Claire originally wanted to repeat the same old tune. According to her idea, as long as her company gradually sees improvement, Charlie can gradually reduce the business of looking at Feng Shui, and stop touching this aspect as much as possible.

But now listening to Charlie say this, she put away her own rhetoric, and said helplessly: “Husband, then you must pay more attention to yourself.”

Charlie smiled slightly, nodded and said: “Don’t worry, wife, I will.”

Claire smiled comfortedly: “It’s late, go back to your room and sleep.”

“it is good!”

...

In the middle of the night, when Charlie and Claire hugged and slept, a woman walked out lightly in the huge courtyard of the Moore family villa.

It was already half past one in the morning, but Nanako Ito did not sleep. Instead, she came to the yard by herself, found a dry place, and sat cross-legged in the yard and looked up at the stars.

Stefanie Sun’s concert was very shocking to her, and many of the details have made her not slow down.

At the concert, she saw the infatuation and bravery of her idol Stefanie Sun for the first time. At that moment, she admired Stefanie Sun more and more.

After the concert, she repeatedly pondered this matter, and always had an intuition, as if the object of Stefanie Sun’s confession on the scene should be Charlie, whom she had loved for a long time.

However, she couldn’t think of any clear clues to support her intuition.

She knew some of Charlie’s background, but the specific information was not so detailed. She only knew that Charlie was an orphan since she was a child. She grew up in Aurous Hill Welfare Institute and then joined the Aurous Hill Wilson family. This life experience seems very ordinary. , Even with a somewhat sympathetic tragic color.

However, she also couldn't figure out how Charlie grew from a son-in-law to the true Dragon Leaf Master respected by everyone in Aurous Hill, and even more can't figure out how Charlie could have such a powerful strength, and even a rejuvenation pill. It can be called a miraculous medicine against the sky.

One is Wilson's son-in-law, and the other is a real dragon in the world. These two images are almost a day by day, making Ito Nanako trapped for a time, and I can't think of the connection between them.

Just when she was puzzled, Jasmine walked into the yard, slowly came to her, and asked with a smile: "Nanako, why haven't you slept so late?"

Nanako Ito looked back at her and smiled: "Can't sleep, sister, how about you?"

Jasmine shrugged her shoulders and smiled back, "Me too."

Nanako Ito smiled knowingly, and sighed: "Sister can't sleep, it must be because of Charlie!"

Jasmine was startled slightly, and then smiled with emotion: "Oh, it seems that the cause of insomnia is the same for both of us."

Ito Nanako nodded and said without any concealment: "I'm thinking, whether the Prince Charming who Stefanie Sun confessed at the concert tonight is Charlie."

Jasmine's eyes widened, and she blurted out: "I'm exactly what you think! Although there is no evidence, I can't think of any possibility, but I have been skeptical about this!"

Nanako Ito didn't expect that Jasmine would go with herself, and hurriedly said: "Sister, you have been living in Aurous Hill, and you met Charlie early. Can you tell me what Charlie's past was like?"
